## Tapered Insert Angled Carb Spacer

ALL25977 **\$324.99**

Aluminum four-hole spacer angles the carburetor left and to the rear so the carb is closer to level when in race attitude. Spacer accepts Allstar 1/2" or 1" tapered base plate inserts (sold separately). Fits Holley 4bbl. 4150/4160 series carburetors.

## Dial-In Board Mounts

Two-piece billet aluminum mount fits dial-in boards with 8.75" x 3" mounting hole patterns. Top portion of bracket swivels to position board at the best viewing angle.

ALL23297

Part No:	Description	Price
ALL23297	Black	<b>\$159.99</b>
ALL23298	Polished	<b>\$159.99</b>

## Flat Front Air Box

ALL23226 **\$57.99**

Box fits most sprint cars with 1" raised rail and is fabricated from .080" aluminum.

## Hood Pin Extensions

Aluminum extensions fit into existing chassis mounts. 1/2"-20 male to 1/2"-20 female. Sold each.

Part No.	Description	Price
ALL18524	1" Tall	<b>\$6.99</b>
ALL18525	2" Tall	<b>\$7.49</b>

ALL18524 ALL18525

## Hood Pin Adapters

Aluminum adapters convert existing chassis mounts over to hood pin mounts. Sold each.

Part No.	Description	Price
ALL18526	Converts 1/2" Fine Hood Pin Mount To 3/8" Hood Pin, 1/2"-20 Male To 3/8"-24 Female	<b>\$5.49</b>
ALL18527	Converts 1/2" Coarse Mount To 1/2" Hood Pin, 1/2"-13 Male To 1/2"-20 Female	<b>\$5.49</b>

ALL18526 ALL18527

## Quick Change Drain Pan Plastic

ALL14356 **\$29.99**

Tapered top drain pan, combined with an open flow corner allow quick change gear changes to happen even faster. Plastic, low profile, 2-piece pan includes a stainless steel filter screen molded into the top tray.

## Bert Clutch Assembly Tool

ALL14295 **\$24.99**

Shaft is used to help align counter shaft when replacing clutch discs and clutches. Shaft features a through hole for installing threaded rod when assembling counter gear assembly before installation, along with an internal thread to assist when removing if necessary.

## Heated Tire Groover

ALL10260 **\$459.99**

Features a 4 level dial and a hi/low switch providing 8 total heat settings. Includes 2 each 4/32", 6/32" 8/32" and 10/32" flat blades.

This unit replaces our popular ALL10270 and features a redesigned head for better visibility when grooving tires.

## Straight Air Cleaner Studs

Studs have 5/16"-18 threads and are 6" long.

Part No.	Description	Price
ALL26054	Aluminum	<b>\$10.99</b>
ALL26055	Chrome Moly 4140	<b>\$11.99</b>

## Tel-Tac Mount

ALL81332 **\$16.99**

Aluminum mount accepts Tel-Tac digital tachometers and recesses into a dash for clean finished look. Mount attaches to backside of dash with quick turn fasteners (buttons sold separately) for simple removal and installation.

## Air Cleaner Filters

Mesh filters fit over an air cleaner assembly adding another layer of protection against dirt, dust and debris. Filters fit Allstar paper and washable 14" air cleaners, will not fit oversized units like R2C.

Part No.	Sizes	Price
<b>Filters Without Top Cover</b>		
ALL26220	14" x 3"	<b>\$19.99</b>
ALL26221	14" x 4"	<b>\$19.99</b>
ALL26222	14" x 5"	<b>\$19.99</b>
<b>Filters With Top Cover</b>		
ALL26224	14" x 4"	<b>\$28.99</b>
ALL26225	14" x 5"	<b>\$28.99</b>

## Breather Filters

Mesh filters add another layer of protection against dirt, dust and debris. Fits 3" diameter breathers typically used on valve covers, breather tanks and helmet systems.

Part No.	Description	Price
ALL26227	Fits Non-Shielded Breathers	<b>\$8.99</b>
ALL26228	Fits Shielded Breathers	<b>\$8.99</b>

## Air Cleaner Cover

**ALL26230 \$19.99**

Water-repellent cover fits 14" diameter air cleaner assemblies from 3" to 6" tall. Perfect for washing or storage and includes a draw string.

## Breather Cover

**ALL26232 \$9.99**

Water-repellent cover fits 3" diameter breathers commonly found on valve covers, breather tanks and helmet systems. Cover with drawstring fits both shielded and non-shielded breathers.

## Engine Cover

**ALL26234 \$69.99**

Water-repellent cover with bottom draw string is perfect for storage or transportation. 32" long x 23" wide x 28" tall.

## Hold Down Nuts

Easily remove these hold down nuts with a 1/4" extension. The spring ball on your extension holds the nut in place, no wrench or socket needed! Package of 4.

Part No.	Description	Price
<b>Valve Cover Hold Down Nuts</b>		
ALL26320	1/4"-20 Coarse Thread Nuts	<b>\$28.99</b>
ALL26322	1/4"-28 Fine Thread Nuts	<b>\$28.99</b>
<b>Carb Hold Down Nuts</b>		
ALL26324	5/16"-18 Coarse Thread Nuts	<b>\$34.99</b>
ALL26326	5/16"-24 Fine Thread Nuts	<b>\$34.99</b>

## Transmission Breather Kit

**ALL36147 \$28.99**

Breather kit provides a remote location for adding a larger breather to many popular manual transmissions. Kit relocates the breather exit location and helps prevent fluid from leaking or blowing out of standard breathers. Includes a remote breather, 15" braided line, mounting bracket and adapter fitting with 1/8" NPT threads.

## Sprint Wheel Cover Bolt Kits

Kit includes 5/16"-28 bolts, 1-3/8" spread aluminum insert plates with steel threaded inserts, e-clips to keep bolts on the wheel cover and rivets. Package of 3.

Part No.	Description	Price
ALL44265	Stainless Steel	<b>\$34.99</b>
ALL44266	Titanium	<b>\$42.99</b>

### Universal Spark Plug Race Wire Sets

Universal length 8mm spiral core wire sets include a non-terminated end, ends and boots for a build to length option.

Part No.	Description	Price
ALL81360	Set with 90° HEI Ends	<b>\$39.99</b>
ALL81361	Set with 135° HEI Ends	<b>\$39.99</b>

### Spark Plug Gap Tool

ALL96516 **\$64.95**

Spark plug gap tool quickly and accurately gaps 14mm threaded spark plugs. Thread spark plug into tool, place the correct size feeler gauge beneath the ground strap then tighten knob to set plug gap. Includes 17 different feeler gauge sizes .010" thru .035".

### Carbon Fiber Jacobs Ladder Cover

Protect the rear axle from rock chips and other debris. Real carbon fiber cover is strong yet lightweight and attaches to all Jacobs Ladder with existing bolt or pin (not included).

Part No.	Description	Price
ALL55091	3/8"	<b>\$49.99</b>
ALL55092	1/2"	<b>\$49.99</b>

### GT Steering Wheel

MPIMPI-GT-13 **\$199.99**

This 12-3/4" diameter suede wheel is designed for use in Road Course and Sports Cars. The 2-3/4" dish aluminum frame is manufactured with a bright orange stripe for quick referencing the top of the wheel and flat bottom for easy entry and existing of the vehicle. MPI horn button included.

### EXP Series Winches

The EXP winch features faster draw speeds, advanced gearing with auto engage, high strength roller or hawse fairlead, auto-off and 15' hand held remote switch. Available with either 100' x 5/16" wire cable or 100 x 3/8" synthetic rope. Made in USA.

Part No.	Description	Price
SUPS102733	EXP8I 8000 lb. Capacity Winch, Integrated Housing, Roller Fairlead, 5/16" x 100' Steel Rope	<b>\$972.99</b>
SUPS102734	EXP8SI 8000 lb. Capacity Winch, Integrated Housing, Hawse Fairlead, 3/8" x 100' Synthetic Rope	<b>\$1,061.99</b>
SUPS102735	EXP8 8000 lb. Capacity Winch, Roller Fairlead, 5/16" x 100' Steel Rope	<b>\$878.99</b>
SUPS102736	EXP8S 8000 lb. Capacity Winch, Hawse Fairlead, 3/8" x 100' Synthetic Rope	<b>\$1,022.99</b>
SUPS102737	EXP10I 10,000 lb. Capacity Winch, Integrated Housing, Roller Fairlead, 3/8" x 100' Steel Rope	<b>\$906.99</b>
SUPS102738	EXP10SI 10,000 lb. Capacity Winch, Integrated Housing, Hawse Fairlead, 3/8" x 100' Synthetic Rope	<b>\$1,244.99</b>
SUPS102739	EXP10 10,000 lb. Capacity Winch, Roller Fairlead, 3/8" x 100' Steel Rope	<b>\$977.99</b>
SUPS102740	EXP10S 10,000 lb. Capacity Winch, Hawse Fairlead, 3/8" x 100' Synthetic Rope	<b>\$1,155.99</b>
SUPS102741	EXP12I 12,000 lb. Capacity Winch, Integrated Housing, Roller Fairlead, 3/8" x 100' Steel Rope	<b>\$981.99</b>
SUPS102742	EXP12SI 12,000 lb. Capacity Winch, Integrated Housing, Hawse Fairlead, 3/8" x 100' Synthetic Rope	<b>\$1,333.99</b>
SUPS102743	EXP12 12,000 lb. Capacity Winch, Roller Fairlead, 3/8" x 100' Steel Rope	<b>\$1,066.99</b>
SUPS102744	EXP12S 12,000 lb. Capacity Winch, Hawse Fairlead, 3/8" x 100' Synthetic Rope	<b>\$1,244.99</b>

### Terra 25SR ATV Winch

SUP1125230 **\$334.99**

This completely sealed 2,500 lb. capacity ATV winch, powered by a 1.3 hp motor is manufactured with 50 ft. x 3/16" synthetic rope and hawse fairlead. Kit includes 10 ft. hand held remote.

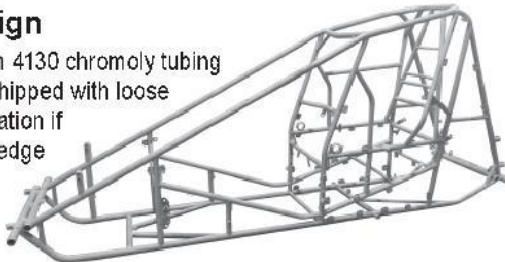

## Triple X Race Components Inc

### Non-Wing Sprint Car Chassis

#### • Wedge Design

Constructed from 4130 chromoly tubing this bare frame is shipped with loose halo for later installation if needed. The 87" wedge design is 2" taller at the rear of the cage with standard height at the front and has a 40" motor set back.

Part No.	Description	Price
TXRSC-CH-1000-2HNWP	Bare Chassis	<b>\$1,990.99</b>
TXRSC-CH-1001-87-2HNWP17	Inside The Rail Hood, 87", Black	<b>\$2,777.45</b>
TXRSC-CH-1001-87-2HNWP18	Inside The Rail Hood, 87", White	<b>\$2,777.45</b>

### Sprint Car Complete Front Axle Assembly

TXRSC-FE-2000 **\$968.99**

Manufactured from 2-1/4" x .120" wall black powder coated 4130 chromoly tubing with Winters front hubs, spindles and kingpins. Other components consist of aluminum rotors, aluminum brake mounts with bolts, steel heims, Triple XXX steering arms and complete bolt kit.

### Sprint Car Tubular Nose Wing Rear Straps

These adjustable nose wing straps are constructed from 4130 tubing. Feature welded tabs with adjustable bottom mounts, from 6.0" to 10.25". Mount from shock towers to nose wing side boards. Do not disrupt airflow. Available in black powder coat or plated finish. Sold each.

Part No.	Description	Price
TXRSC-TW-0042	Adjustable Bottom Mounts 6.0"/6.75"/7.5", Plated	<b>\$18.99</b>
TXRSC-TW-0042BLK	Adjustable Bottom Mounts 6.0"/6.75"/7.5", Black	<b>\$18.99</b>
TXRSC-TW-0044	Adjustable Bottom Mounts 8.75"/9.5"/10.25", Plated	<b>\$18.99</b>
TXRSC-TW-0044BLK	Adjustable Bottom Mounts 8.75"/9.5"/10.25", Black	<b>\$18.99</b>

### Jacobs Ladder Pin Kits

These pin kits are designed for chassis that have top and bottom ladder spuds through the upright. Each kit contains two 3/8" x 3-3/4" pins with clips, 1/2" pin and rue clip with easy to remove handle for the jacobs ladder to birdcage and two nylatron spacers for the jacobs ladder straps. Available with either titanium or steel pins.

Part No.	Description	Price
TXRSC-SU-4902	With Grade 5 Titanium Pins	<b>\$29.99</b>
TXRSC-SU-4903	With Steel Pins	<b>\$17.99</b>

### Left Front Caliper Mount With Bolts

Designed to fit either 10-1/8" or 10-7/8" rotors, these aluminum bracket kits contain Grade 8 countersunk bolts and are available in aluminum or black finish. Sold each.

Part No.	Description	Price
TXRSC-FE-0010	10-1/8" Rotor, Aluminum Finish	<b>\$12.99</b>
TXRSC-FE-0010-BLK	10-1/8" Rotor, Black Finish	<b>\$14.99</b>
TXRSC-FE-0011	10-7/8" Rotor, Aluminum Finish	<b>\$12.99</b>
TXRSC-FE-0011-BLK	10-7/8" Rotor, Black Finish	<b>\$14.99</b>

### Carbon Fiber Throttle Pedal

TXRSC-CH-0006CF **\$129.99**

This 12" long x 4" wide throttle pedal has aluminum threaded inserts and the same geometry as the standard Triple XXX throttle pedal allowing for easy bolt-in installation. Weighs only 4.2 Oz.

### Metal Rescue Rust Remover Gel

WSHWH003227 **\$11.99**

This rust removing gel is clean, safe, and easy to use. The non-toxic, environmentally safe, biodegradable gel requires no scrubbing, dipping or wire brushing. Manufactured with a highly adhesive formula allows for easy use on verticle surfaces with very little waste. 17.64 oz. container.

**PERFORMANCE**

THE WINNING ELEMENT IN RACING.

### Sprint Car • Lightweight Front Axles

These 50" wide axles are manufactured from 2-1/2" x .095 wall 4130 chromoly.

Designed with 9°/12° kingpin angles and available in either black powder coat or chrome finish. Total weight 13.6 lbs.

Part No.	Description	Price
TIP2000	Black Powder Coat Finish	<b>\$199.99</b>
TIP2002	Chrome Finish	<b>\$199.99</b>

### Sprint Car • Rear Motor Plate

Manufactured from 3/8" thick 6061 aluminum.

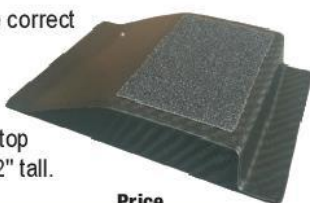

These raised rail rear plates are lightened on the inside, the side facing drivers compartment, to keep dirt from getting trapped in lightened pockets. Designed to fit both standard and raised cam engines the plates have multiple drilled and tapped holes for mounting pumps and accessories. Lower edge holes allow mounting floor pan securely to motor plate. Available in natural or black anodized finish. Weigh 7.50 lbs.

Part No.	Description	Price
TIP5002	Rear Motor Plate, Black Anodized	<b>\$179.99</b>
TIP5004	Rear Motor Plate, Natural Finish	<b>\$199.99</b>

### Sprint Car • Carbon Fiber Heel Risers

Designed to keep drivers feet at the correct angle that will reduce fatigue, these 4-1/2" wide carbon fiber risers are lighter and stronger than aluminum. Manufactured with non-skid grip tape top surface and available either 1" or 1-1/2" tall.

Part No.	Description	Price
TIP4110	1" Tall x 4-1/2" Wide	<b>\$45.99</b>
TIP4112	1-1/2" Tall x 4-1/2" Wide	<b>\$45.99</b>

### Sprint Car • Birdcages

These black anodized, billet aluminum bird cages are complete with angular contact bearing, torsion arm bolt and radius rod bolt. 5-1/4" split between radius rod and torsion arm. Left and right sold individually.

Part No.	Description	Price
TIP2026	Left Side, 5-1/4" Center To Center	<b>\$184.99</b>
TIP2028	Right Side, 5-1/4" Center To Center	<b>\$189.99</b>

### Soft-Touch Tow Point

MTD123800 **\$19.95**

Manufactured from 10,000 lb. webbing, this bolt-on polyester strap is 11-13/16" long and has a 7/16" steel mount. Made in USA.

## DIABLOSPORT.

GAS AND DIESEL TUNING SYSTEMS

### inTune i3 Performance Programmers

The inTune i3 Programmers are pre-loaded to boost factory tunes by using a hand held, touchscreen tuner via an easy to use interface. Upgrades include increased throttle response, improved fuel economy potential and horsepower/torque increases. These tuners will also check / clear diagnostic codes and record performance data. The inTune i3 PCM swap kits include an inTune i3 tuner and a one-time unlocked PCM cross shipment for the original factory PCM.

Part No.	Application	Price
<b>Chrysler/Dodge</b>		
DBL8320	Dodge Challenger/Charger 2015-17 V8, i3 + PCM Swap Kit	<b>\$499.99</b>
DBL8321	Dodge Ram 2015-17 5.7 Eight Speed, i3 + PCM Swap Kit	<b>\$499.99</b>
DBL8322	Challenger Hellcat 2015-17 6.2L, i3 + PCM Swap Kit	<b>\$499.99</b>
DBL8300	Chrysler/Dodge/Dodge Ram 2003-14 All Engines, inTune i3 Programmer	<b>\$379.99</b>
<b>Ford</b>		
DBL8100	Ford Vehicles 2006-17 All Engines, inTune i3 Programmer	<b>\$379.99</b>
<b>General Motors</b>		
DBL8200	General Motors Trucks And Passenger Cars 2007-17 All Engines, inTune i3 Programmer	<b>\$379.99</b>
<b>Jeep</b>		
DBL8420	Jeep Wrangler 2015-17 3.6L, i3 + PCM Swap Kit	<b>\$499.99</b>
DBL8400	Jeep Wrangler / Cherokee 2005-14 All Engines, inTune i3 Programmer	<b>\$379.99</b>

### DW400 Universal In-Tank Fuel Pump Kit

DWK9-401-1001 **\$239.99**

This 46mm diameter, in tank pump can be used with E85, race fuel and pump gas. Compatible with pulse width modulated pump drives and flows 415 lph @ 40 psi. Includes universal installation kit consisting of fuel hose, clamps, electrical harness and fuel filter. 3 year warranty to original purchaser.

## Multi-Grade EcoBox Synthetic SAE Motor Oil

The 6 gallon EcoBox™ packing from Royal Purple is manufactured to be environmentally friendly by reducing plastic waste, recyclable and eliminate oil residue left in container when emptying. The rugged square box is designed for easy storage and able to withstand any damage that might occur in shipping. Available for a wide range of specialty oil products.

Part No.	Description
ROY60020	0W-20, 6 Gallon Box
ROY60520	5W-20, 6 Gallon Box
ROY60530	5W-30, 6 Gallon Box

## Max-Run™ Synthetic Gun Lubricant

Using proprietary technology, this full synthetic lubricant provides uninterrupted care for uninterrupted performance. Deep penetrating formulation delivers maximum protection and long lasting lubrication. Sold each.

Part No.	Description
ROY11807	2 oz. Bottle
ROY11808	8 oz. Bottle

## Duralect™ Ultra™ Maximum Performance Diesel Motor Oil

Formulated for use in both two-cycle and four-cycle diesel engines, Duralect™ Ultra™ synthetic oil is fortified with high levels of zinc/phosphorus anti-wear additives. These additives provide superior protection at startup, reduce friction, keep internal engine parts cleaner and extend drain intervals.

Part No.	Description
ROY83456	10W30, 1 Gallon
ROY80456	10W30, Case 3 x 1 Gallon
ROY83561	15W40, 1 Gallon
ROY80561	15W40, Case 3 x 1 Gallon

## Duralect™ Super™ Emission Compliant Performance Diesel Motor Oil

This high performance synthetic oil is formulated for diesel engines that require an emission compliant oil. The 2007 and 2010 emission standards covered equipment such as DPF's, catalytic converters, EGR and SCR injection with the low sulfur diesel fuels.

Part No.	Description
ROY83130	10W30, 1 Gallon
ROY80130	10W30, Case 3 x 1 Gallon

## Extended Life Oil Filters • New Applications

Designed for superior particle removal, optimized flow and superior engine protection.

ROY20-967

ROY20-2129

ROY50-2017

Part No.	Description
<b>Ford</b>	
ROY50-2017	2003-10 Ford Super Duty 6.0L/6.4L, Extended Life Spin-On Oil Filter
<b>General Motors</b>	
ROY10-3244	2002-14 General Motors 2.4L 4 Cylinder, Extended Life Canister Style Oil Filter
ROY20-2129	2004-15 General Motors 3.6L V6, Extended Life Canister Style Oil Filter
<b>Toyota</b>	
ROY20-967	2005-14 Toyota Lexus/Scion 3.5L V6, Extended Life Canister Style Oil Filter

## Power Steering Pump Reservoir

RPCR3813 **\$34.99**

Black power steering pump reservoir.

## Oval Air Cleaner Base

RPCR6021B **\$31.99**

Flat, 15" oval aluminum air cleaner base. Fits 5-1/8" carburetor neck.

## Gilmer Drive Pulley Kits

These 4 piece pulley kits consist of billet aluminum crank pulley, water pump pulley, alternator pulley and drive belt.

Part No.	Application	Price
RPCR8710	Small Block Chevy, Short Water Pump Natural Finish	<b>\$171.99</b>
RPCR8711	Small Block Chevy, Long Water Pump Natural Finish	<b>\$183.99</b>
RPCR8713	Big Block Chevy, Short And Long Water Pump Natural Finish	<b>\$195.99</b>
RPCR8714	Small Block Ford, Natural Finish	<b>\$195.99</b>
RPCR8716	Big Block Ford 429/460, Natural Finish	<b>\$195.99</b>

## Brake Proportioning Valve Kit

TFS2302NA **\$98.99**

This chrome plated proportioning valve fits disc/drum brake applications with 1/2" and 9/16" master cylinder ports. Manufactured with OEM style mounting bracket. Kit includes two brake lines and all necessary mounting hardware. Made in USA.

## GM Saginaw Style Type II Aluminum Power Steering Pumps

These chrome, compact power steering pumps are assembled with all new components including reservoir and pump assembly. Pumps are 1200 PSI rated to work with most gear boxes and flow 3 GPM. Kit includes press fit pulley installation kit. Requires press fit pulley which is not included. Made in USA.

Part No.	Description	Price
TFS6170ALD	-AN Fittings, Through Hole Mounting, Bottom Pressure Port, 17mm Shaft	<b>\$149.99</b>
TFS6170ALD-2	-AN Fittings, Threaded Mounting Hole, Bottom Pressure Port, 17mm Shaft	<b>\$149.99</b>
TFS6175ALD	-AN Fittings, Through Hole Mounting, Top Pressure Port, 17mm Shaft	<b>\$149.99</b>
TFS6175ALD-1	GM Pressure Slip Fitting, Threaded Mounting Hole, Top Pressure Port, 17mm Shaft	<b>\$132.99</b>
TFS6175ALD-2	-AN Fittings, Threaded Mounting Hole, Top Pressure Port, 17mm Shaft	<b>\$149.99</b>
TFS6175ALD-6	LS1, Threaded Mounting Hole, Top Pressure Port, 19mm Shaft	<b>\$149.99</b>
TFS6175ALD-7	GM Pressure Slip Fitting, Through Hole Mounting, Top Pressure Port, 17mm Shaft	<b>\$132.99</b>

## Super-Lite Gear Reduction Mini-Starters • Small Block Ford

Manufactured to provide 30% more torque than OE starters by using 1.6KW gear reduction these mini-starters have the ability to crank 12:1 compression engines. Available in as cast or chrome finish. Made in USA.

Part No.	Application	Price
TFS6551A	Ford Small Block 289-351W/351C, Chrome Finish	<b>\$195.99</b>
TFS6551B	Ford Small Block 289-351W/351C, As Cast Finish	<b>\$148.99</b>

## Fan Disc • Turbo Style

TFS7601AB **\$10.99**

This stealth black, 5-1/2" diameter disc with a .670" center hole, increases airflow through the alternator to better cool the internal circuitry.

## GM High Amp Alternators

### • Internally Regulated

Designed to fit 1971-86 GM vehicles requiring an internal regulator. Simple one wire / OEM hookup with either 100 or 140 amp output. Manufactured with either single v-belt or six groove serpentine pulley and offered in as cast, chrome, polished or black powder coat finishes. Made in USA.

Part No.	Description	Price
TFS7127D12	100 Amp, One Wire / OEM Hookup, 12 Clocking, Single V-Belt Pulley, As Cast Finish	<b>\$82.99</b>
TFS7127D6G12	100 Amp, One Wire / OEM Hookup, 12 Clocking, Six Groove Serpentine Pulley, As Cast Finish	<b>\$82.99</b>
TFS7127D9	100 Amp, One Wire / OEM Hookup, 9 Clocking, Single V-Belt Pulley, As Cast Finish	<b>\$82.99</b>
TFS7127ND12	100 Amp, One Wire / OEM Hookup, 12 Clocking, Single V-Belt Pulley, Chrome Finish	<b>\$116.99</b>
TFS7127NK12	140 Amp, One Wire / OEM Hookup, 12 Clocking, Single V-Belt Pulley, Chrome Finish	<b>\$126.99</b>
TFS7127NKB12	140 Amp, One Wire / OEM Hookup, 12 Clocking, Single V-Belt Pulley, Black Powder Coat Finish	<b>\$126.99</b>
TFS7127NKB9	140 Amp, One Wire / OEM Hookup, 9 Clocking, Single V-Belt Pulley, Black Powder Coat Finish	<b>\$126.99</b>
<b>Silver Bullet Series</b>		
TFS7140BBULL6G	140 Amp, One Wire, Six Groove Serpentine Pulley, Polished Finish	<b>\$192.99</b>
TFS7140FBULL12	140 Amp, One Wire / OEM Hookup, 12 Clocking, Six Groove Serpentine Pulley, Black Powder Coat Finish	<b>\$157.99</b>

## Solid State And One Wire Voltage Regulators

External solid state voltage regulators. OEM style plug in connectors.

Part No.	Application	Price
TFS7524	1970-92 Chrysler, Mechanical Regulator	<b>\$12.99</b>
TFS7545	1969-92 Chrysler, Electronic Regulator	<b>\$10.99</b>
TFS7540	1963-90 Ford, External	<b>\$14.99</b>
TFS7635	1963-74 GM 10 DN, External	<b>\$14.99</b>
TFS7639	GM 10SI, 7127, 7139, 7140 One Wire or OEM, Internal	<b>\$10.99</b>

## Fan And Pulley Kits

Kits include fan, pulley, lockwasher and nut. Fit Tuff Stuff alternators 7102, 7127, 7139, 7140, 7068, 7069.

Part No.	Finish	Grooves	Price
TFS7600AB	Stealth Black	One	<b>\$22.99</b>
TFS7600AD	Gold Zinc	One	<b>\$14.99</b>
TFS7600BB	Stealth Black	Two	<b>\$23.99</b>
TFS7600BD	Gold Zinc	Two	<b>\$15.99</b>
TFS7600CB	Stealth Black	Five	<b>\$28.99</b>
TFS7679BC	Billet Aluminum, Stealth Black	One	<b>\$42.99</b>

## Alternator Pulleys

Fit Tuff Stuff 7102, 7127, 7139, 7140, 7068, 7069, CS130, CS144 and Hy-Brid.

Part No.	Finish	Grooves	Price
TFS7610BB	Stealth Black	Five	<b>\$14.99</b>
TFS7610FB	Stealth Black	Two	<b>\$17.99</b>
TFS7610FD	Gold Zinc	Two	<b>\$17.99</b>

## Delta Force® Cold Air Intakes

These intake systems feature a custom molded, cross-linked polyethylene intake tube and large high flow conical shaped air filter constructed with 8 layers of cotton gauze. A custom-fit black powder coated air dam with attaching brackets and high quality reinforced silicone couplers, using stainless hardware securely mount the system in place. No cutting or drilling is required for installation. Made in USA.

## GTX Performance Tuner And Monitor

SCT40460S **\$599.00**

Preloaded with multiple tuning levels this performance tuner also has the ability to hold up to 20 custom tunes. This super responsive unit features a 5" glass touch screen and the ability to monitor, store and delete diagnostic trouble codes

along with being able to log vehicle performance and play back at a later date. Important vehicle functions that can be adjusted include speed limiter, rev limiter, idle, traction control and transmission shift firmness. Fits various gas and diesel vehicles.

## BDX Performance Programmer

SCT40490 **\$399.00**

With the ability to adjust over 20 vehicle functions, monitor engine parameters in real time, read / clear DTC codes along with increasing horsepower and torque this performance programmer unlocks each vehicle's true potential. Quick and easy installation via the vehicles OBDII port allows selecting from multiple SCT tuning levels or load up to 20 different custom tune files from authorized SCT custom tuning dealers. Built-in Wifi capability allows users to upload and download tunes over the cloud. Fits various gas and diesel vehicles.

## Aluminum Performance Steering Wheels

Constructed of 6061 T6 aluminum these black foam grip wheels feature 3-spoke unidirectional designs and universal three hole mounting pattern.

Part No.	Description	Price
GRT600	13" Aluminum Racing Wheel	<b>\$72.99</b>
GRT601	15" Aluminum Racing Wheel	<b>\$76.99</b>
GRT602	16-1/2" Aluminum Racing wheel	<b>\$75.99</b>

## Avoiding the Pitfalls and Gremlins of Charging Systems *By Jim Kaekel*

Often taken for granted and rarely inspected, the charging system in today's modern performance vehicle is responsible for keeping the battery fully charged and supplying the proper amount of voltage to the electrical system. Sounds relatively simple, yet whether it's a daily driver, pickup truck or pure bred race car, charging system problems are often unpredictable and when they occur, can quickly cause a myriad of problems from dimming lights to ultimately, a stalled engine and dead battery.

The common, 12-volt automotive charging system consists of an alternator, battery, charge wiring and ammeter/voltmeter gauge or indicator light. While most late model vehicles have the voltage regulator built-in to the alternator, many early models located the regulator externally, mounted either to the firewall or inner fenderwell. The "heart" of the system is the alternator, which primary components include the rotor, stator, rectifier and voltage regulator. Fastened directly to the alternator pulley, the rotor spins within the fixed stator assembly, producing Alternating Current (AC), similar to the power used in homes. The AC is then converted to Direct Current (DC) through a series of diodes that are specially-arranged within the rectifier. At the same time, the voltage regulator plays the role of regulating the DC to 13.5-14.8 volts as it is fed via the charge wire to the battery and throughout the electrical system, thereby ensuring that all system components function correctly.

When in the market for an alternator, it is important to know that the chosen unit offers sufficient amperage for the intended application. J.R. Richmond, technical representative for Powermaster Performance, states that "some enthusiasts may err and choose a unit with insufficient amperage, not realizing that all of their accessories add up quickly and subsequently, it can't meet their requirements". After choosing the proper alternator, it should be rigidly mounted to the engine, properly grounded and fit with the correct diameter pulley so that it will operate effectively within its specified power curve. The experts at Powermaster recommend that circle track applications use a pulley ratio of 1:1, while drag racers need approximately 1.75:1 and street-driven vehicles require 3:1-3.5:1. Powermaster offers full line of high performance alternators including the top-of-the-line, "XS Volt". Richmond says that the XS Volt units are particularly suited to racing as they "may be custom tailored to the application, regardless whether the system uses a 12-, 14- or 16-volt battery".

The alternator drive belt must match the pulley for correct type (V-belt, Serpentine or HTD), width and length, and be tightened properly so that it does not slip. To ensure that the belt is tight enough, install a 1/2" breaker bar with the necessary socket on the nut that secures the alternator pulley and attempt to rotate the pulley in a clockwise rotation. If the engine begins to turn over and the belt does not slip, the belt is tightened sufficiently.

Richmond says that one of the most common pitfalls of charging systems is using an alternator charge wire that is of insufficient size. This is of concern on race cars where the bat-

tery has been relocated to the rear of the vehicle, requiring the wire to be of significant length. Basic automotive electric wiring principles require that wire size be increased when length is extended or amperage is increased. If in fact a charge wire has been selected that is of insufficient size, it can cause a condition referred to as "voltage drop", according to Richmond. The condition can often become the source of a hard to diagnose electrical "gremlin", which occurs when the wire is overloaded and subsequently overheats, causing system shorting or even become the source of a fire. All charge wire terminals should be crimped and soldered to ensure positive connections. Review the tech help section of Powermaster's web site ([powermaster-motorsports.com](http://powermaster-motorsports.com)) for specific charge wire sizing recommendations.

The battery plays an important part in the equation as well. Richmond states that "it's job is to store power and act as a distribution center". If battery condition is in question, it can be quickly checked using a battery load tester. If the battery requires charging, care should be taken to ensure that the charger is truly compatible with the battery.

With the availability of lead-acid, gel, AGM and lithium-ion models, mismatching batteries and chargers has suddenly become a problem that can significantly shorten battery life.

Braille, Lithium Pros, Odyssey, Optima, Turbo Start and XS Power are good sources for high performance batteries and chargers. Battery cable should be at minimum, four-gauge if the battery is located in the stock underhood position, while two- or zero-gauge is preferred if it has been relocated to the trunk. QuickCar offers a full selection of premium battery cable and highly conductive, gold-plated battery terminals when an upgrade is desired.

The system may be closely monitored using a permanently installed voltmeter. Available from vendors including QuickCar, Allstar Performance and Auto Meter, it provides instant notice to the driver in the event of a problem, while also aiding system diagnosis.

Often ignored or overlooked until there's a problem, the key to reliable charging system performance is not only choosing the correct, quality components, but ensuring that the associated wiring is correctly sized, installed and terminated.

Powermaster's XS Volt Alternator

### Powermaster's XS Volt Unique Voltage Control System

The XS Volt is a powerful internal voltage regulating system that is suited to a wide variety of racing or high performance street applications. Alternators with this feature offer true one-wire operation and full digital control. Regulator response time occurs in milliseconds rather than in seconds as with traditional analog regulators. The user adjustable voltage feature allows voltage to be set between 13.5-18.5 volts, allowing full compatibility with 12-, 14- or 16-volt electrical systems. Denso style alternators allow increasing voltage by simply turning the adjustment screw counter-clockwise, while GM/Delco units require clockwise rotation. The adjustment screw is simply turned in the opposite direction if it is desired to decrease voltage. The XS Volt feature is also ideal for lithium battery applications that require low voltage set points.

## Alumi Blast • Acrylic Lacquer

### SEY16-055 \$7.99

Alumi Blast is a professional grade coating that restores aluminum wheels and castings to their original luster. Formulated with acrylic resin for maximum adhesion, durability, and heat resistance. Alumi Blast resists automotive fluids, corrosion, abrasion, and will not smudge or yellow over time. 12 Oz. aerosol. Sold each.

## Stainless Steel • Acrylic Lacquer

### SEY16-054 \$6.99

A special formulation containing 316L stainless steel pigment to provide maximum corrosion resistance and protection against weather, sunlight, oil, and water. Dries to a satin finish. 13 Oz. aerosol. Sold each.

## Big Rig • Alkyd Enamel

These high quality enamels offer superior coverage for applications where maximum performance is required. It will not blister, flake, or crack. Prevents rust and corrosion while resisting heat, oil, gas, and abrasion. Sold each.

Part No.	Description	Price
SEY20-1615	Gloss Black, 16 Oz. Aerosol	<b>\$10.99</b>
SEY20-1633	Flat Black, 16 Oz. Aerosol	<b>\$10.99</b>

## Layout Ink

### SEY620-1558 \$8.99

Smooth, cobalt blue coating that enables tool and die makers to scribe accurately without glare. Dries fast and will not rub off. 15 Oz. aerosol. Sold each.

## C-Block Corrosion Barrier Coating

### SEY16-394 \$8.99

This metallic gray corrosion resistant lubricant prohibits electrolytic reaction between dissimilar metals aiding in the disassembly of mating parts that are subjected to moisture, heat, pressure and friction. An extension tube is furnished as well for pinpoint application. 12 Oz. aerosol. Sold each.

## Cast Blast

### SEY16-048 \$5.99

A professional grade coating that reproduces the original look of cast-iron parts. Perfect for water pumps, intake manifolds and master cylinders. Protects against rust, has a low sheen, and resists heat up to 250°F. 12 Oz. aerosol. Sold each.

## Fresh-N-Quick Multi-Purpose Enamel

This high quality, economically priced enamel covers well, dries fast and holds up well outdoors. Sold each.

Part No.	Description	Price
SEY11-24	Gloss Black, 10 Oz. Aerosol	<b>\$5.99</b>
SEY11-31	Clear, 10 Oz. Aerosol	<b>\$5.99</b>

## Green Rebar Epoxy

### SEY16-547 \$6.99

Single stage epoxy coating that quickly touches up and protects cut rebar. Protects against corrosion and rust staining when applied to rebar before setting in concrete. Prevents oxidation on the cut ends of rebar. Ideal for spot repair of damaged coatings. 12 Oz. aerosol. Sold each.

## Hi Tech • Arcylic Lacquer

Fast drying lacquer based spray paint that provides durable indoor and outdoor protection. Resists abrasion, weather and many chemicals. Sold each.

Part No.	Description	Price
SEY16-815	Gloss Black, 12 Oz. Aerosol	<b>\$7.99</b>
SEY16-838	Semi-Gloss Black, 12 Oz. Aerosol	<b>\$7.99</b>

## Hi Tech • Alkyd Enamel

Premium grade fast drying enamel formulated for general purpose applications where maximum indoor/outdoor coating performance is required. This tough finish inhibits rust and resists heat and gasoline. Sold each.

Part No.	Description	Price
SEY16-113	Gloss White, 12 Oz. Aerosol	<b>\$7.99</b>
SEY16-115	Gloss Black, 12 Oz. Aerosol	<b>\$7.99</b>
SEY16-127	Gloss Blue, 12 Oz. Aerosol	<b>\$7.99</b>
SEY16-133	Flat Black, 12 Oz. Aerosol	<b>\$7.99</b>
SEY16-139	Semi-Gloss Black, 12 Oz. Aerosol	<b>\$7.99</b>

## Hi Tech • Engine Enamel

Heat resistant, fast drying, gas/oil resistant engine paint matches original factory color. Sold each.

Part No.	Description	Price
SEYEN-42	Universal Black, 12 Oz. Aerosol	<b>\$7.99</b>
SEYEN-43	Ford Gray, 12 Oz. Aerosol	<b>\$7.99</b>
SEYEN-44	Ford/Chrysler Red, 12 Oz. Aerosol	<b>\$7.99</b>
SEYEN-46	Ford Blue, 12 Oz. Aerosol	<b>\$7.99</b>
SEYEN-48	Chevy Orange, 12 Oz. Aerosol	<b>\$7.99</b>
SEYEN-50	Universal Gold, 12 Oz. Aerosol	<b>\$7.99</b>
SEYEN-56	Ford/Mustang Blue, 12 Oz. Aerosol	<b>\$7.99</b>
SEYEN-59	General Motors Red, 12 Oz. Aerosol	<b>\$7.99</b>
SEYEN-63	Chrysler Blue, 12 Oz. Aerosol	<b>\$7.99</b>
SEYEN-67	General Motors Blue, 12 Oz. Aerosol	<b>\$7.99</b>
SEYEN-70	Clear Gloss, 12 Oz. Aerosol	<b>\$7.99</b>
SEYEN-71	Dull Aluminum, 12 Oz. Aerosol	<b>\$7.99</b>
SEYEN-76	Hemi Orange, 12 Oz. Aerosol	<b>\$7.99</b>

## Hot Spot • High Heat Paint

Heat resistant paint designed to withstand temperatures up to 1200°F. Creates a porcelain-like bond at high temperatures. Resists peeling, loss of adhesion and blistering. Sold each.

Part No.	Description	Price
SEY16-1201	Aluminum, 12 Oz. Aerosol	<b>\$9.99</b>
SEY16-1202	White, 12 Oz. Aerosol	<b>\$9.99</b>
SEY16-1203	Black, 12 Oz. Aerosol	<b>\$9.99</b>
SEY16-2668	Cast Iron Gray, 12 Oz. Aerosol	<b>\$9.99</b>

## PBE Professional Trim Paint

SEY20-1678 **\$9.99**

This flat black acrylic lacquer is formulated using an acrylic resin that resists fading from ultraviolet light and degradation from chemicals. A heavy coat applied over enamel may cause lifting. Several light coats produce a better finish than one heavy coat. 12 Oz. aerosol. Sold each.

## Plasta Wrap

### • Peelable Temporary Coating

SEY16-2410 **\$5.99**

Peelable coating forms a skin-tight rubber film that stays flexible and can be peeled away at any time. Can be used on metal, wood, glass, fiberglass and plastic. 11 Oz. aerosol. Sold each.

## Rust Converter

SEY16-45 **\$5.99**

Formulated to penetrate rust and turn it into a protective black coating, this converter and primer can be applied to any iron or steel surface. The protective coating will resist moisture and prevent any further rust from occurring. Compatible with most top coats. 12 Oz. aerosol. Sold each.

## Spruce • Lacquer

SEY98-17 **\$6.99**

This nickel colored, fast drying lacquer provides exceptional indoor/outdoor protection. Manufactured to resist the effects of the weather, chemicals and abrasion. 12 Oz. aerosol. Sold each.

## Spruce • General Purpose Enamel

SEY98-24 **\$6.99**

Economically priced, top quality enamel that produces a tough, durable, rust inhibiting finish. Formulated to dry fast, resist chipping and have excellent hiding characteristics. 12 Oz. aerosol. Sold each.

## Tool Crib • Red Insulating Varnish

SEY620-1525 **\$8.99**

Specially designed to protect insulate surfaces from deterioration caused by exposure to oil, moisture, acid and alkali. The high gloss enamel coating is recommended for use as a finish coat to Class "F" winding or electrical apparatus. Dries quickly, resists cracking, and prevents the passage of electricity into or out of the substrate. 16 Oz. aerosol. Sold each.

## Black Wrinkle Paint

SEY16-2448 **\$8.99**

Manufactured to reproduce the original factory finish, this durable black coating resists gasoline, automotive fluids, fading, rust, corrosion, and chipping. 12 Oz. aerosol. Sold each.

## Acrylic Lacquer Primer

SEY16-531 **\$8.99**

This flexible, fast drying, all purpose acrylic primer provides excellent adhesion to hard plastic, metal, wood and fiberglass. Provides a rust resistant base for any number of topcoats. 12 Oz. aerosol. Sold each.

## Hi Tech Primers

Fast drying, phenolic resin primer provides maximum rust protection and finishing top coat adhesion. Can be used with lacquer, enamel and acrylic paints. Sold each.

Part No.	Description	Price
SEY16-805	White, 12 Oz. Aerosol	<b>\$8.99</b>
SEY16-807	Red Oxide, 12 Oz. Aerosol	<b>\$8.99</b>
SEY16-828	Black, 12 Oz. Aerosol	<b>\$8.99</b>
SEY16-831	Light Gray, 12 Oz. Aerosol	<b>\$8.99</b>

## PBE Self-Etching Primer

SEY20-1682 **\$9.99**

Specially formulated to chemically etch bare metal and aluminum in one easy step. Easily wiped down with mineral spirits or isopropyl. 16 Oz. aerosol. Sold each.

## Spray Galv • Weld Thru Primer

SEY16-845 **\$11.99**

This light gray, cold galvanizing primer with 86% Type I inorganic zinc in the dried paint film resist oxidation, plus the galvanizing protection continues even if scratched. 15 Oz. aerosol. Sold each.

## Zinc Phosphate Primer

This self-etching, chromate-free primer is formulated to chemically bond with aluminum and steel to form a corrosion resistant base coat. Sold each.

Part No.	Description	Price
SEY16-897	Yellow, 12 Oz. Aerosol	<b>\$8.99</b>
SEY16-899	Green, 12 Oz. Aerosol	<b>\$6.99</b>

## Seal-It • Multi-Purpose Sealant

A thermoplastic elastomer base allows this sealer to stay flexible in cold weather in addition to being water resistant. Able to be top coated with oil or latex paints. Sold each.

Part No.	Description	Price
SEY20-147	White, 15 Oz. Aerosol	<b>\$7.99</b>
SEY20-148	Black, 15 Oz. Aerosol	<b>\$7.99</b>

## Tool Crib® • Contractors Grade Adhesive

SEY620-1538 **\$8.99**

An all-purpose industrial adhesive for bonding substrates with differing textures. Not recommended on vinyl plastic or vinyl coated cloth. 14 Oz. aerosol. Sold each.

## Tool Crib® • Mist Adhesive

SEY620-1510 **\$14.99**

Ideal for bonding lightweight and dissimilar materials this colorless adhesive has a fast initial tack with low soak-in. 14 Oz. aerosol. Sold each.

## Tool Crib® • Web Adhesive

SEY620-1511 **\$14.99**

This heavy duty colorless adhesive is formulated for a fast initial tack along with heat and moisture resistance. The permanent bond created is excellent for wood, metal and particle board. 14 Oz. aerosol. Sold each.

## Tool Crib® • Inverted Mist Adhesive

SEY620-1512 **\$14.99**

Manufactured with the ability to spray upside down makes this adhesive great for bonding a wide variety of dissimilar materials. The colorless, low soak-in, fast initial tack formulation is ideal for cloth, cardboard and weather stripping. 14 Oz. aerosol. Sold each.

## Tool Crib® • Heavy Duty Anti-Freeze

SEY620-1507 **\$8.99**

A corrosion resistant graphite lubricant that aids in the assembly and disassembly of mating parts that are subjected to extreme heat, pressure and corrosion. Will not wash, scrape or burn off. All position valve allows upside down application. 15 Oz. aerosol. Sold each.

## Tool Crib® • Penetrating Oil

SEY620-1543 **\$8.99**

This lightweight penetrant releases rusted, corroded and frozen assemblies. The fast acting formulation includes penetrants, lubricants, and corrosion inhibitors. Leaves an anti-rust film for continued protection. An extension tube is provided for pinpoint application. 15 Oz. aerosol. Sold each.

## Tool Crib®

### • 5 Way Corrosion Inhibitor And Lube

SEY620-1541 **\$8.99**

Multi-purpose lightweight lubricant both penetrates and protects against rust and corrosion. Displaces moisture, prevents flash rusting, and provides long term protection for metal. Does not contain silicone. 14 Oz. aerosol. Sold each.

## Tool Crib® • Dry Graphite Lube

SEY620-1506 **\$8.99**

Fast drying graphite lubricant reduces friction and noise. Oil-free formulation resists water and alkalis. 14 Oz. aerosol. Sold each.

## Tool Crib® • Chain And Cable Lube

SEY620-1502 **\$8.99**

A lightweight black lubricant that penetrates deeply and prolongs the life of any size chain or wire by keeping it supple and resisting rust. Displaces water and has excellent clinging properties. Should be confined to light duty drive chains not running thru an oil bath. 15 Oz. aerosol. Sold each.

## Tool Crib® • Dry Moly Lube

SEY620-1505 **\$8.99**

Quick-drying, thin moly film that provides superior lubrication under extreme pressures and broad temperature ranges. Excellent adhesion, oil free, and protects against seizing, fretting, and galling. 14 Oz. aerosol. Sold each.

## Tool Crib® • Silicone Lube

SEY620-1500 **\$8.99**

Clear silicone lubricant for use on all sliding and rubbing surfaces. Authorized by USDA for use in Federally inspected meat and poultry plants. Withstands high pressures, does not stain, and has low odor. 13 Oz. aerosol. Sold each.

## Tool Crib® • Open Gear Lube

SEY620-1501 **\$8.99**

This heavy duty black lubricant offers superior lubricity and adhesion to gears. Will not dry out or leave harmful deposits and performs well under extreme pressures and temperatures. 15 Oz. aerosol. Sold each.

## Tool Crib® • Tool Cutting Oil

SEY620-1557 **\$8.99**

Clear lightweight oil that improves metal cutting operations by cooling and lubricating at the cutting point. Manufactured with special pressure and anti-friction agents. Resists runoff, eliminates scoring and chatter marks and is effective for both ferrous and non-ferrous machining. 18 Oz. aerosol. Sold each.

## Tool Crib®

### • Toolmaker's Layout Ink Remover

SEY620-1559 **\$8.99**

A special formulation of solvents that delivers quick and easy removal of layout ink. Can also be used as a lacquer remover, degreaser, and metal parts cleaner. 16 Oz. aerosol. Sold each.

## Tool Crib® • Brake Cleaner

SEY620-1548 **\$8.99**

This fast drying cleaner removes dust and grease from brake parts and other metal objects, contains no chlorinated solvents and is VOC compliant. 15 Oz. aerosol. Sold each.

## Tool Crib® • Cleaner and Degreaser

SEY620-1568 **\$8.99**

Heavy duty cleaner quickly removes grease, oil, strips wax, and cleans without leaving a residue. It is environmentally formulated and does not contain caustic acids or chlorinated solvents. Safe to use on most surfaces. 15 Oz. aerosol. Sold each.

## Tool Crib® • Carb And Choke Cleaner

SEY620-1536 **\$8.99**

This quick acting carburetor cleaner penetrates and dissolves dirt and residue. Eliminates hard starting, stalling and rough idling. 16 Oz. aerosol. Sold each.

### Tool Crib® • Tinted Ignition Sealer SEY620-1529 **\$8.99**

Protects ignition system from moisture, current leakage, and corrosion. The coating has an orange tint for uniform coverage and is waterproof and flexible. Dielectric strength is excellent and reduces electrical maintenance costs. VOC compliant. 15 Oz. aerosol. Sold each.

### Truck Bed Coating SEY20-41 **\$6.99**

This thick, durable, black polyurethane sealant forms a protective skin that is both tough and flexible. Protects against corrosion, abrasion and resists water. Fast cure time and excellent adhesion. 15 Oz. aerosol. Sold each.

### Stainless Steel Surface Cleaner SEY20-21 **\$6.99**

Fast acting, non-abrasive cleaner brightens and polishes stainless steel. Cuts through grease and does not leave a filmy residue. 16 Oz. aerosol. Sold each.

### Undercoating SEY20-006 **\$8.99**

This asphalt base black undercoating remains pliable in extreme cold conditions while providing undercarriage rust protection and sound deadening. Dries quick and smooth with no sags or runs. 18 Oz. aerosol. Sold each.

### Rubberized Undercoating SEY20-046 **\$12.99**

A black paintable undercoating that forms a rubberized skin to protect metal surfaces and reduce road noise. Dries fast and does not bleed through when topcoated. 18 Oz. aerosol. Sold each.

### Adjustable Fuel Injection Regulator AFS13128 **\$210.99**

Designed for medium to high horsepower applications. Manufactured from 6061-T651 billet aluminum with two -10 ORB inlet ports, one -6AN ORB return port and 1/8" NPT gauge port. Adjustable from 40 psi -75 psi and compatible with gasoline, E85 and alcohol. Made in USA.

### Extreme Flow EFI Regulator AFS13133 **\$219.99**

Manufactured with one -10AN inlet/outlet port, four -8AN inlet/outlet ports and one -10AN return port. Designed for use with belt or hex drive fuel pumps, this regulator will handle between 7 gpm-26 gpm. Shipped with standard spring installed which will support 30 psi-75 psi. Kit also includes high pressure spring that will support 75 psi-120 psi. Gasoline, E85 and alcohol compatible. Made in USA.

### Terminator Spur Gear Mechanical Fuel Pumps

These pumps feature contoured, coated thrust plates, gear sets and body to reduce cavitation and increase longevity. Designed with multiple inlet/outlet configurations and the ability to be mounted with either three/four bolt flange or V-band adapter. Compatible with gasoline or alcohol. Made in USA.

Part No.	Description	Price
AFS11173	Spur Gear Mechanical, 3/8" Hex Shaft, 18 GPH	<b>\$1,699.99</b>
AFS11132	Spur Gear Mechanical, 3/8" Hex Shaft, 21.5 GPH	<b>\$1,699.99</b>
AFS11138	Spur Gear Mechanical, 3/8" Hex Shaft, 25 GPH	<b>\$1,699.99</b>
AFS11935	Spur Gear Mechanical, 3/8" Hex Shaft, 21 GPH, IHRA Certifiable	<b>\$1,699.99</b>

**NEW VENDOR**

## Mist-N-Shine™ Detailer

Quick and easy to use, non-streaking exterior detailer that doesn't leave a dust or film residue. Works well on any surface, even in direct sunlight. Contains no wax, silicone or petroleum products. Sold each.

Part No.	Description	Price
WIZ01214	22 Oz. Spray Bottle	<b>\$12.48</b>
WIZ01217	One Gallon Bottle	

## Mystic Spray Wax™

WIZ01235 **\$15.74**

Easy to apply and remove, this premium wax is formulated not to leave any white residue or abrasive scratch marks. Will remove dust, bugs, and fingerprints. Can be applied on chrome, plastics and fiberglass. 22 Oz. Spray Bottle. Sold each.

## Metal Polish The Magic Is In The Cloth™

WIZ11011

With superior cutting action, Metal Polish will remove tamish, corrosion, brake dust, oxidation and tar from aluminum, chrome, stainless, copper, bronze and magnesium. The high gloss formula, that brightens and protects is injected into high grade surgical cloth for easy application. Will not cake up or scratch metal finishes. 3 Oz. container. Sold each.

## Metal Renew™

WIZ11020 **\$11.34**

This easy-to-use, fast cutting, liquid metal polish will restore, shine and protect most metal surfaces. Melts away rust, tarnish and oxidation leaving a high-gloss protective finish. Can be used by hand or with power wheel. 8 Oz. bottle. Sold each.

## Shine Master™

WIZ11033 **\$14.57**

Developed to remove swirl marks, fine line scratches and light oxidation. Can be used as a cleaner, polish and breathable sealant to create a show quality gloss with long term durability. Dries quickly, buffs off easy and leaves no greasy film or powder residue. For use by hand or machine. 16 Oz. Bottle. Sold each

## Mystic Cut™

### Smart Abrasive Technology™ Compound

A fast cutting compound formulated with exclusive Smart Abrasive Technology™ for use on scratch resistant, hard to buff medium and high solid clears and all types of paint finishes. Contains no wax, silicone or crystalline silica. Excellent for removing swirls, fading and water spots. Use with high speed rotary, dual action orbital polisher or by hand. Sold each.

Part No.	Description	Price
WIZ11038	8 Oz. Bottle	<b>\$13.88</b>
WIZ11048	32 Oz. Bottle	<b>\$44.40</b>

## Tire And Vinyl Shine™

WIZ11055 **\$12.48**

This multi purpose dressing and protectant for vinyl, leather, rubber and plastic surfaces. Leaves no greasy residue and dries fast to a glossy finish. 22 Oz. spray bottle. Sold each.

## All Wheel And Tire Cleaner™

WIZ11061 **\$10.74**

An eco-friendly foam cleaner that is safe on most OE and custom wheels. Easily dissolves and removes brake dust, dirt and road grime. Excellent for cleaning blackwall, whitewall and raised white letter tires. 22 Oz. spray bottle. Sold each.

## Water Bandit™

WIZ11066 **\$15.33**

All purpose synthetic chamois that absorbs water 3 times faster than ordinary leather chamois. Machine washable. Includes storage case. 27" x 17". Sold each.

## Bug Release™

WIZ11081 **\$10.74**

Formulated to quickly soften bug residue on all painted surfaces without damaging chrome, plastic or painted surfaces. 22 Oz spray bottle. Sold each.

## The Wizard 21™ Big Throw Polisher

Dual action orbital polisher with 21mm stroke. Manufactured with no delay trigger and constant speed control. Operating range of 2000-4200 RPM with 1-6 speed dial.

WIZDAPKIT01

Part No.	Description	Price
WIZDAP0121	Includes 6" Backing Plate And Tote Bag, Weighs 6 Lbs.	<b>\$280.46</b>
WIZDAPKIT01	Includes Mystic Nano Wax™ 8 Oz., Mystic Cut™ 8 Oz., 6" Orange Microfiber Cutting Pad, 6" Gray Foam Finishing Pad And Pad Conditioning Brush	<b>\$352.61</b>

**NEW VENDOR**

These weatherstrip kits are an exact duplication of the Original Equipment design. Kits include extra items required for installation and are available for passenger cars, trucks and SUV's.

## Solid State Relay Block

MSD7564 **\$149.99**

This stand alone, red solid state module is designed to take the place of four 20 amp relays providing up to 80 amps of power, replacing those relays that numerous accessories require. LED status indicators ensure proper wiring and operation of each channel. Should a problem arise, the relay block has built-in automatic over-temp, short circuit and overload protection. Easily mounted using the supplied hardware and mounting tabs that can be rotated 90° to accommodate various mounting locations.

## Ford Coil-On-Plug Current Booster

MSD8740 **\$349.99**

Designed for Ford modular engines with coil-on-plug ignitions that can benefit from additional spark energy to support high horsepower engines. Manufactured with a built-in two-step rev limiter for consistent launches and quick 60-foot times at the track. The two-step rpm adjustments are made via two rotary switches adjustable from 1,000 - 10,900 rpm, in 100 and 1000 rpm increments. Factory style wiring connectors plug directly into stock coils and harness.

## Universal Ignition Tester

MSD89981 **\$199.99**

Manufactured with the ability to test both single channel and coil per cylinder, this digital tester has settings for 10 different crank types allowing it to check electronic, points and magnetic trigger inputs. Includes power grid adapter, harness and spark plug tester.

## Adjustable Billet Timing Pointers

Manufactured from 6061-T6 billet aluminum, these black anodized timing pointers are designed to have 4° range of movement allowing precise timing location. Includes stainless steel hardware.

Part No.	Description	Price
MSD8988	Small Block Chevy With 6-1/4" Balancer	<b>\$36.25</b>
MSD89881	Small Block Chevy With 6-3/8" Balancer	<b>\$36.25</b>
MSD89882	Small Block Chevy With 7" Balancer	<b>\$36.25</b>
MSD89883	Small Block Chevy With 7-1/4" Balancer	<b>\$36.25</b>
MSD89884	Small Block Chevy With 8" Balancer	<b>\$36.25</b>
MSD89885	Big Block Chevy With 7" Balancer	<b>\$36.25</b>
MSD89886	Big Block Chevy With 7-1/4" Balancer	<b>\$36.25</b>
MSD89887	Big Block Chevy With 8" Balancer	<b>\$36.25</b>
MSD89888	Small Block Ford With 10 O'Clock TDC	<b>\$55.99</b>
MSD89889	Small Block Ford With 11 O'Clock TDC	<b>\$55.99</b>

## DynaForce Starters • Black

These lightweight, compact starters clear most headers and oil pans. Billet mount allows "clocking" the starter in multiple positions. DynaForce models have 3.4 horsepower motor and 4.4:1 gear reduction, while High Speed DynaForce models have 25% more cranking speed, easily spinning engines with up to 18:1 compression.

**NEW COLOR**

Part No.	Application	Price
<b>DynaForce Starters</b>		
MSD509013	Small Block Ford 289-351W, 3/8" Depth	<b>\$342.99</b>

MSD509823	Chrysler 318-440	<b>\$425.99</b>

## Pro-Billet Distributors • Black Cap

Machined from 6061-T6 billet aluminum with an upper sealed ball bearing to eliminate shaft wobble and supplied with a HEI style black cap. Adjustable mechanical advance, hardened 10,000 rpm plus shaft and high output magnetic pickup assure years of reliable service. Extra advance springs and advance bushings for tuning adjustments are included. Must use with MSD 6, 7 or 8 series ignition control box.

Part No.	Application	Price
MSD85557	Chevy V8	<b>\$260.99</b>
MSD85795	Ford Small Block 289-302 Small Diameter Cap	<b>\$301.99</b>

MSD85465	Chrysler "RB" Big Block 413-440	<b>\$319.99</b>

**NEW COLOR**

## Blaster 2 Performance Coil • Black

MSD82023 **\$49.99**

Designed to upgrade the stock coil with improved spark output this high performance coil can be used on both electronic or conventional point style ignition systems. The tower assembly is molded of durable alkyl material and the metal canister is filled with a premium grade oil for superior cooling. Includes ballast resistor.

**NEW COLOR**

## AVS2 Series™ Carburetors

These 650 cfm AVS2 Series carburetors feature annular flow primary boosters with new calibration for improved off idle and cruising performance. The annular flow booster design delivers improved fuel atomization to eliminate flat spots that may be encountered when the carburetor transitions from idle to full throttle. Manufactured with both timed and full vacuum ports for ignition advance. Available in either manual or electric choke versions. Made in USA.

Part No.	Description	Price
EDE1905	650 CFM Square Flange Carburetor, Manual Choke	<b>\$309.95</b>
EDE1906	650 CFM Square Flange Carburetor, Electric Choke	<b>\$339.95</b>

## Micro Electric Universal Fuel Pumps

Designed for maximum performance, simple installation and quiet operation. These 12 volt universal micro pumps are available for gasoline, E85 and diesel applications and feature a simple two wire setup. 1/8" NPT inlet and 5/16" outlet port. Kits include fuel pump, filter, mounting hardware and instructions.

Part No.	Description	Price
EDE17301	Micro Pump, Gasoline/E85, 38 GPH, 4 PSI-7 PSI	<b>\$47.99</b>
EDE17303	Micro Pump, Gasoline/E85, 30 GPH, 2 PSI-3-1/2 PSI	<b>\$47.99</b>
EDE17302	Micro Pump, Diesel, 38 GPH, 4 PSI-7 PSI	<b>\$58.99</b>
EDE17311	Replacement Filter Element, 40 Micron, For EDE17301 And EDE17303	<b>\$5.95</b>
EDE17312	Replacement Filter Element, 100 Micron, For EDE17302	<b>\$5.95</b>

## Fuel Pump And Regulator Combo Kits

Assembled to take the guesswork out of selecting the right fuel pump and regulator for either carbureted or EFI applications. Kits include fuel pump, regulator and installation hardware. Made in USA.

Part No.	Description	Price
EDE17923	Carbureted Fuel Pump & Regulator Kit, Contains EDE1792 Pump And EDE1727 Regulator	<b>\$333.32</b>
EDE17943	EFI Fuel Pump & Regulator Kit (Up to 1500 hp), Contains EDE1794 Pump And EDE1729 Regulator	<b>\$918.82</b>

## Chrysler Victor II EFI Intake Manifold

EDE7179 **\$799.95**

Designed for 5.7L / 6.1L / 6.4L Gen III Hemi engines. This black powder coated manifold features raised injector bosses, wider plenum allowing longer runners for increased power and a front inlet which accommodates either factory style 80mm throttle body or 90mm Hellcat throttle body with no modifications. Edelbrock 3647 fuel rail and hose kit required for installation. Made in USA.

## General Motors LS3 Pro-Flo XT Intake Manifold

EDE7142 **\$659.95**

Manufactured with equal length, 6.25" tapered runners and a large plenum, this black powder coated multi-port manifold delivers maximum horsepower and torque from 1500-7000 rpm. Machined to accept GM OEM 90mm or Edelbrock 3869 90mm throttle bodies. Made in USA.

## 1938-48 Ford Flathead Slingshot Manifolds

These reproduction manifolds are designed to fit Ford and Mercury flathead engines from 1938-48. Assembly hardware and gasket between manifold top and bottom pieces included. Available in satin or black powder coat finish. Made in USA.

Part No.	Description	Price
EDE1103	Satin Finish	<b>\$467.33</b>
EDE11033	Black Powder Coat Finish	<b>\$503.95</b>

## General Motors Gen IV LS Engines Victor Series Water Pumps

Victor Series aluminum water pumps are designed to provide maximum flow, maximum pressure and equal distribution to both sides of the block within 1%. These pumps feature aircraft industry clearances; heavy-duty 3/4" integral ball/roller bearings and billet steel hubs. Made in USA.

Part No.	Application	Price
EDE8893	2005-08 GM LS3, Right Side Return Outlet, Reverse Rotation	<b>\$380.95</b>
EDE8894	2009-16 GM LS3, Left Side Return Outlet, Reverse Rotation	<b>\$380.95</b>

## Fuel Pump Block-Off Plates

Black anodized billet aluminum block-off plates. Includes new bolts and gasket.

Part No.	Application	Price
EDE4020	Small Block Chevy	<b>\$17.95</b>
EDE4021	Big Block Chevy	<b>\$14.95</b>

## Chrysler 300 / Dodge Charger / Dodge Challenger • E-Force Supercharger System

EDE1517 **\$8,421.87**

Designed to fit 2015-17 5.7L Hemi Charger, Challenger and Chrysler 300's right out of the box with no welding, cutting or grinding. This complete supercharger system provides maximum flow, minimum temperature rise, quiet operation and reliability. Kit contains everything needed for installation.

## Small Block Chevy • E-Force 122 Supercharger Kit

These kits are a positive displacement supercharger that have the capability of producing 500+ horsepower on a small-block Chevy engine, utilizing the Eaton® H122 rotor assembly for maximum efficiency in a compact package. Intended for 302-400 cubic inch small-block Chevrolets equipped with long water pumps and stock style bracketry. Each kit includes supercharger assembly with Eaton internals, intake manifold, drive pulleys, belt, gaskets and all necessary items for ease of installation. Does not include carburetor. No fabrication or special tools required. Made in USA.

Part No.	Application	Price
EDE1551	1957-86 Small Block Chevrolet, Conventional Cylinder Head	<b>\$2,799.87</b>
EDE1552	1996-Later Small Block Chevrolet, E-Tec, Vortec Cylinder Heads	<b>\$2,799.87</b>

## GM LS3 Victor Jr. Cylinder Heads

Manufactured with 2.20 diameter intake valves with a canted configuration similar to what is utilized in the GM LT1 Gen V engine and a unique port shape flowing almost 400 cfm. Intake runner volume 280cc, exhaust runner volume 85cc and 69cc combustion chamber volume. Heads also feature fully CNC'd intake ports, combustion chambers and exhaust ports. Capable of producing 600+ hp on an LS3 engine with stock rocker arms, intake manifold and exhaust manifolds. Sold each. Made in USA.

Part No.	Application	Price
EDE61339	General Motors LS3, Four Bolt Flange	<b>\$1,395.50</b>
EDE61349	General Motors LS3, Six Bolt Flange	<b>\$1,395.50</b>

## GM LT1 Performer RPM Cylinder Heads

EDE77119 **\$1,499.50**

Designed for 2014-present GM LT1 (Gen V) engines operating in the 1500-6500 rpm range.

Manufactured with stock exhaust port location and compatible with stock or aftermarket exhaust manifolds and headers. Outstanding features include 60cc CNC machined combustion chambers, 2.165"/1.60" valves, 305cc/115cc port volumes and extra thick 3/4" deck for improved stability. Max lift 0.680". Sold each. Made in USA.

## GM LT1 Victor Jr. Cylinder Heads

EDE77139 **\$1,949.50**

Designed for 2014-present GM LT1 (Gen V) high performance street and competition engines.

Exhaust ports have been moved 1.5" horizontally for improved air flow and will require custom exhaust manifolds and headers. Other features include fully CNC machined intake/exhaust ports and combustion chambers along with an extra thick 3/4" deck. Specs: 62cc combustion chambers, 2.20"/1.60" valves, 320cc/110cc port volumes. Max lift 0.750". Sold each. Made in USA.

## Max-Fire Distributors

Featuring a simple three wire hook-up these ready to run electronic distributors do not require an external ignition control box. CNC machined from 6061-T6 aluminum and assembled with a hardened iron drive gear and fully adjustable mechanical and vacuum advance. Distributor includes a cap, rotor, retainer and mechanical advance curve kit.

Part No.	Application	Price
EDE22750	Max-Fire Ready To Run Distributor, Chevy V8 Fixed Collar (exc. 348/409)	<b>\$306.15</b>
EDE22751	Max-Fire Ready To Run Distributor, Chevy V8 Adjustable Collar (exc. 348/409)	<b>\$354.97</b>
EDE22761	Max-Fire Ready To Run Distributor, Chrysler V8 273/318/340/360	<b>\$341.24</b>
EDE22763	Max-Fire Ready To Run Distributor, Chrysler V8 361/383/400, Short Deck	<b>\$341.24</b>
EDE22762	Max-Fire Ready To Run Distributor, Chrysler V8 413/426/440, RB Tall Deck	<b>\$341.24</b>
EDE22755	Max-Fire Ready To Run Distributor, Ford V8 260/289/302 (exc. 5.0L)	<b>\$343.52</b>
EDE22758	Max-Fire Ready To Run Distributor, Ford V8 351W	<b>\$343.52</b>
EDE22756	Max-Fire Ready To Run Distributor, Ford V8 351C	<b>\$343.52</b>
EDE22757	Max-Fire Ready To Run Distributor, Ford V8 332-428 FE	<b>\$343.52</b>
EDE22764	Max-Fire Ready To Run Distributor, Oldsmobile V8 260-455	<b>\$339.91</b>
EDE22754	Max-Fire Ready To Run Distributor, Pontiac V8 326-455	<b>\$333.70</b>

## Electronic Oil Filled Coils

Manufactured for high performance vehicles that have been converted to electronic breakerless distributors where the classic oil filled appearance is preferred. Designed with optimized winding for use with ready to run distributors and 6 series CD ignition control boxes. 45,000 volts.

Part No.	Description	Price
EDE22740	Electronic Oil Filled Coil, Chrome	<b>\$40.91</b>
EDE22741	Electronic Oil Filled Coil, Red Finish	<b>\$40.50</b>
EDE22742	Universal Dome Style Coil, Red Finish	<b>\$49.30</b>

## HEI In-Cap Coil

EDE22743 **\$50.23**

Designed for use with GM HEI coil in-cap distributors with red and yellow primary wires. Works with aftermarket performance 4-pin modules and high performance electronic controls. Includes installation kit. Black.

## GM LS Coil Pack

EDE22745 **\$55.09**

Designed for use with 1997-13 GM Gen III & IV LS engines. Delivers up to 11% more voltage and 19% more energy than a stock coil.

## Ford Coil-On Plug

EDE22744 **\$30.74**

This high output, direct bolt-on coil is designed for 1997-2014 Ford 4.6L, 5.4L and 6.8L engines with 2-valve cylinder heads. Designed with higher resistance for increased energy output at higher rpm when compared to an OEM coil. Sealed with high temperature epoxy for shock and vibration resistance that also provides excellent thermal conductivity. The spark plug boots are molded from a high temperature silicone compound for superior heat resistance up to 550° F. Sold each.

## Universal EFI Sump Fuel Kits

These completely self-contained systems are designed to provide the necessary high fuel pressure required for EFI applications in vehicles equipped with an existing low pressure carbureted fuel system. They are ideal for engine swap applications that require constant 35-90 psi fuel pressure. The unique design of these systems allows them to deliver a constant fuel pressure with no fuel return line, external fuel pressure regulator or fuel tank modifications. Complete kit EDE36031 includes a durable, lightweight plastic fuel sump tank with high pressure fuel pump, wiring harness, hose and fittings. Fuel sump tank assembly EDE36032 is for builders and consumers that want to utilize their own hose and fittings.

Part No.	Description	Price
EDE36031	Universal EFI Sump Fuel Kit, 67 GPH 35-90 PSI.	<b>\$374.87</b>
EDE36032	Universal EFI Sump Fuel Tank Only, 67 GPH 35-90 PSI.	<b>\$299.87</b>
EDE36033	Universal EFI Sump Fuel Kit, 105 GPH 35-90 PSI.	<b>\$499.87</b>
EDE36034	Universal EFI Sump Fuel Tank Only, 105 GPH 35-90 PSI.	<b>\$399.87</b>

## Pro Sidewinder Wire Sets

These 8mm red silicone wires are designed to withstand up to 550°F and are manufactured with ceramic plug boots capable of withstanding up to 2000°F. Kits include both HEI and socket type distributor ends. Available in 90°, 135° and straight boot configurations. Sold in sets.

Part No.	Description	Price
MAL937C	90° Ceramic Spark Plug Boots	<b>\$104.99</b>
MAL938C	Straight Ceramic Spark Plug Boots	<b>\$104.99</b>
MAL947C	135° Ceramic Spark Plug Boots	<b>\$104.99</b>

## Green Lite 12 Volt Lithium Battery

Designed specifically for Import Tuner, street/track, hot rods and race cars with light electrical demands. Delivering a higher, cleaner voltage which improves electrical component performance resulting in quicker starts, less horsepower draw from the alternator and longer life span. Weighs 5.5 Lbs.

Part No.	Description	Price
BRBG30	BCI Group 30, 6.8" L x 5.2" W x 6.9" H, PCA 947	<b>\$569.99</b>
BRBG30C	BCI Group 30, With 6 Amp Lithium Charger	<b>\$619.99</b>

## DISC BRAKES wilwood

### Camaro 2010-15

#### • Bolt-On Disc Brake Kits

These disc brake kits are designed to replace the factory disc brake assemblies, providing big brake performance for show and dual purpose street /track vehicles. Kits include 14.25" diameter drilled and slotted directional rotors, black E-coat rotor hats, red powder coated 4 or 6 piston calipers, BP-10 compound pads and required installation hardware. Made in USA. Kit.

Part No.	Application	Price
WIL140-11269-DR	AER06 Big Brake Front Kit, Six Piston Calipers	<b>\$1,919.99</b>
WIL140-11270-DR	AER04 Big Brake Rear Kit, Four Piston Calipers	<b>\$1,844.99</b>

### 1957-62 Corvette, 1959-64 Chevy Impala

#### • Rear Disc Brake Kit

WIL140-11827-D **\$799.99**

Forged Dynapro Low-Profile Pro-Series rear disc brake kits provide a complete solution for popular muscle car rear axles on applications that require a parking brake assembly and extra clearance for 14.00"-15.00" rim applications. Forged billet Dynapro Low-Profile black four-piston calipers, 11.00" one-piece hat/rotor assemblies, and high friction BP-10 compound pads.

### Camaro 2010-15 • Front /Rear Brake Line Kit

WIL220-11382 **\$72.45**

Stainless steel braided Flexlines are manufactured to high quality standards. These premium grade 16" long -3AN Flexlines are durable and provide "hard line" pedal feel.

### Big Brake Hat • Short Offset

WIL170-8320 **\$124.93**

Machined from premium aluminum with threaded rotor mount holes and black E-coat finish. 5 x 4.50" bolt circle, 8 x 7.00" rotor bolt circle and 0.94" hat offset.

### Brake Rotor Bolts

WIL230-8008 **\$59.01**

Stainless steel, 1/4"-20, 0.75" long. Set of 12.

### Mustang Aluminum Tandem Master Cylinder With Bracket And Proportioning Valve

WIL261-14158-BK **\$363.85**

Aluminum tandem chamber master cylinder with proportioning valve, mounting bracket, fluid tubes and mounting hardware in a kit. Slotted flange mounting and included rod assembly make it a simple bolt on for early Ford Mustang. 15/16" bore, E-coat finish, pre-bent stainless steel lines and stainless steel fasteners.

### Rear Disc/Drum Spacer Kit

WIL300-11542 **\$23.54**

These 0.482" spacers are designed to set parking brake brackets to specific axle offsets. Kit contains spacers, bolts and washers.

### Wheel Spacer And Hub Protector

WIL300-11961 **\$15.21**

Steel alloy plated finish spacer. 5mm, 0.197" thick. 5 x 4.50"/4.75"/5.00" bolt circle. Sold in pairs.

### GM LS Geardrive Sets

Designed to bolt on using the standard oil pump and timing cover. Manufactured with cam bushings for 0°, 2°, 4° and 6° of timing advance. Hardened gears, case hardened and ground idler shaft along with precision cut idler plates provide for long life under severe operating conditions. Kits include cam lock tab.

Part No.	Application	Price
ROLGD1136	Geardrive Set, LS1 With Three Bolt Cam	<b>\$792.49</b>
ROLGD1198	Geardrive Set, LS1 With One Bolt Cam	<b>\$792.49</b>
ROLGD1185	Geardrive Set, LS2 with Three Bolt Cam	<b>\$792.49</b>
ROLGD1195	Geardrive Set, LS3 With Three Bolt Cam	<b>\$792.49</b>

### MD3 Evolution 2 Nose/Fenders/Valance For Dirt Late Models

All new and redesigned for 2018, Evolution 2 Nose/Fenders/Valance assemblies feature two-piece upper and lower fenders, allowing for critical ground height adjustment. The right fender includes more clearance built-in for tire travel and a lower mounting height, while the lower fenders are thicker and separate, providing an improved fit and the valance is built-in and tapered for better durability. Thicker and tapered as well, the lower valance is also more durable. Combo kits include nose, fenders and valance. Components may also be purchased separately. Offered in a variety of popular colors.

### Single And Double Pass Aluminum Radiators

Track tested and professionally designed for late model and modified race cars. The all aluminum two row, fully furnace brazed radiators have the ability to reduce operating temperatures between 10 to 20 degrees when manufactured with double pass configuration. Chevy style.

FSR261962

Part No.	Description	Price
FSR2619D2	Two Row Double Pass Radiator, 26" x 19"	<b>\$236.99</b>
FSR2619S2	Two Row Single Pass Radiator, 26" x 19"	<b>\$214.99</b>

### Cushion Killer

Replaceable lightweight steel wheel rings for Aero bead lock wheels. Designed to bolt over the existing bead lock ring by removing every other bolt then reinstalling with the Cushion Killer. Sold each. Made in USA.

Part No.	Description	Price
DDR21000A	Cushion Killer Wheel Ring, White	<b>\$52.99</b>
DDR21001A	Cushion Killer Wheel Ring, Black	<b>\$52.99</b>
DDR21002A	Cushion Killer Wheel Ring, Neon Yellow	<b>\$52.99</b>

DDR21004A	Cushion Killer Wheel Ring, Neon Orange	<b>\$52.99</b>
DDR21005A	Cushion Killer Wheel Ring, Neon Pink	<b>\$52.99</b>

### Tear Off Holders

Powder coated holder, will store up to six packs of tear offs. Great way to keep tear offs from getting damaged.

Part No.	Description	Price
DDR40003	Tear Off Holder, White	<b>\$30.99</b>
DDR40004	Tear Off Holder, Black	<b>\$30.99</b>

## PowerMax Plus Starters

These lightweight, powerful Hitachi style starters are available in four different versions. Manufactured for engines with compression ratios ranging from 10:1 up to 16:1 and producing up to 180 Ft./Lbs. torque. Ability to "clock" these starters assures maximum header and oil pan clearance.

Part No.	Application	Price
PWM9004-9	GM LS/LSX 4.8L, 5.3L, 6.0L, 6.2L 168 Tooth, 180 Ft./Lbs. Up To 16:1 Compression Ratio	<b>\$211.99</b>
PWM9009	GM LS/LSX 4.8L, 5.3L, 6.0L, 6.2L 168 Tooth, 170 Ft./Lbs. Up To 14:1 Compression Ratio	<b>\$199.99</b>
PWM9012	Chevy Ram Jet 350/502 168 Tooth Staggered Mount, 170 Ft./Lbs. Up To 14:1 Compression Ratio	<b>\$209.99</b>
PWM9183	Ford Modular Motor 4.6L, 5.0L Coyote, 5.4L, 6.2L, 6.8L, 160 Ft./Lbs. Up To 10:1 Compression Ratio (OE Style Not Clockable)	<b>\$167.99</b>

## Master Torque Starter

• GM LS/LSX 4.8L, 5.3L, 6.0L, 6.2L 168 Tooth

PWM9609 **\$211.99**

Manufactured with Infi-Clock system which allows 360° rotation for maximum header and oil pan clearance. 3.25:1 gear reduction and 1.8 HP electric motor delivers 180 Ft./Lbs cranking power, enough to start engines with up to 14:1 compression ratios.

## Ultra Torque Starter • GM LS/LSX 4.8L, 5.3L, 6.0L, 6.2L 168 Tooth

PWM9409 **\$297.99**

Using a powerful 3.4 HP electric motor and 4.4:1 gear reduction this top-of-the line starter develops 250 ft./lbs of cranking power, enough to start engines with up to 18:1 compression ratios

## Race Communications System Accessories

Part No.	Description	Price
RCERE-50	Universal Ear Buds With 50" Cord And 1/8" Stereo/Mono Pug	<b>\$29.99</b>
RCEHP-005	Adult, Over-The-Head Hearing Protector	<b>\$19.99</b>
RCERE-12	Adapter Cable, 1/8" Mono Female To 1/8" Mono Right Angle Extension Cable	<b>\$12.99</b>
RCERE3791-K	Headset Cable, Two Pin Kenwood	<b>\$39.99</b>

## Micro Receiver

The most advanced micro-receiver available for race fans and competitors. This compact unit features two programmable channels, 1600 UHF channel bank and easy to read LCD screen. Includes lanyard and 2 AAA batteries. 3" Long x 1-3/4" Wide x 3/4" Deep.

Part No.	Description	Price
RCESWITCH	Micro Receiver With Scan Option, Navigates Between Two Channels And Allows The User To Select Their Favorite Driver, Radio Broadcast Or Race Officials With Priority Scan Option, Includes Clip/Holster	<b>\$129.99</b>
RCESWITCH-R	Micro Receiver Only, Non-Scanning Model	<b>\$99.99</b>
RCESWITCH-KIT	Switch Scanning Receiver With RCE-50 Ear Buds And Clip/Holster	<b>\$159.90</b>
RCESWITCH-R-KIT	Switch-R Non-Scanning Receiver With RCE-50 Ear Buds	<b>\$129.90</b>
RCESWITCH-CLIP	Clip/Holster For Switch And Switch-R	<b>\$9.99</b>

### Revo Full Face Helmet

Helmet uses an SRC (Strategically Reinforced Composite) and contoured shell to meet stringent Snell SA2015 specs, while allowing compatibility with today's helmet restraint devices. Siphon12 Ventilation Network, consisting of 12 ports, enhances driver comfort, while polished aluminum grill guards at the chin bar and crown add a distinctive appearance. Sold complete with an optically-corrected clear shield, the Revo is offered in gloss white, gloss black or matte black.

### Revo Carbon Full Face Helmet

Constructed using a Carbon Composite Shell, the Revo Carbon is exceptionally strong, yet lightweight. Designed to meet Snell SA2015 specs, the contoured shell allows compatibility with today's helmet restraint devices. The Siphon12 Ventilation Network offers maximized cooling and increased driver comfort, while polished aluminum grill guards add a custom appearance. Coated with a deep clear gloss, helmet is sold complete with an optically-corrected clear shield.

### Digital Turn Plates

INT102191 **\$1,645.99**

With 2,000 lbs. capacity these lightweight aluminum plates are designed to allow three axis movement and have a measuring range of -30° to +30° in 0.1° increments. Manufactured with high strength bearings and large easy to read electronic display. 13" x 15" x 1.625". Sold in pairs.

### Pyrometer Brake Probe

INT360022 **\$139.99**

Replacement type K probe with temperature range up to 2000°F.

### Thermal Imager

INT175000 **\$369.99**

Low cost, reliable way to identify unwanted high heat areas, preventing any unwanted failure.

### Victory RS-7 Driving Suit

The only single layer driving suit currently available that meets SFI 3.2/5 and FIA 8856-2000 specs. Incorporating patented Hocotex technology, lightweight one-piece suit offers up to twice the breathability when compared to competitive suits. Each suit features "T" style epaulettes, customized linings, preformed sleeves, elastic waist bands and insert pockets. Choose from black/gray or gray/orange.

### Shield RW-9 • Compression Socks

The Shield RW-9 compression sock is the only FIA approved compression sock on the market. Delivering Class 1 compression force by exerting maximum pressure at the ankle then decreasing pressure going upward toward the calf. This type of compression force minimizes muscle fatigue and prevents cramps, improving driver comfort and focus. Meet FIA 8856-2000 specifications. Available in white or black.

### Shield RW-9 • Balaclava Hood

Shield RW-9 undergarments provide the highest level of breathability, comfort and protection. These single eye opening Balaclava are manufactured with thin stretch Nomex® and flat thin stretched thread for ultimate comfort and safety. In addition all Shield RW-9 pieces are treated with Sparco X-Cool Silver which draws heat from the body surface to cool the driver. Meet FIA 8856-2000 specifications. Available in white or black.

## Shield RW-9 • Undergarments

These Shield RW-9 undergarments were designed studying the driver's sitting position to ensure ultimate fit and comfort. Manufactured with thin stretch Nomex® and flat thin stretched thread for ultimate comfort and safety. In addition all Shield RW9 pieces are treated with Sparco X-Cool Silver which draws heat from the body surface to cool the driver. Meet FIA 8856-2000 specifications. Available in white or black.

## Universe Bag

SCO016429NR **\$195.00**

Extra large, rolling duffel bag has compartments to store helmet, racing suit, gloves, shoes and undergarments. Durable 600D polyester constructed, bag is 40cm high x 81cm long x 35cm wide, includes a padded fabric handle, telescoping plastic handle and large rolling wheels. Includes Sparco logo.

## The Planet

SCO016430NR **\$150.00**

All-purpose rolling duffel is constructed from heavy duty 600D polyester, includes large wheels and a reinforced pull handle. Emblazoned with the Sparco logo, bag is 35cm x 65cm x 30cm with a large central storage compartment and smaller external compartment.

## The Cosmos

SCO016433NR **\$110.00**

Top-of-the-line helmet bag keeps helmet dry and protected using a built-in, 12-volt fan and drying system. Fan is powered using a USB cord and may be run using a phone or tablet charger. Polyester bag includes space to store a helmet with a HANS device attached, while two carrying handles and a shoulder strap ease transport.

## Cerametallic Clutch Disc Packs

TIL64185-8-VV-10 **\$212.99**

These 7.25" diameter, 29mm x10 spline, 8 rivet, 4 paddle clutch discs are manufactured with a unique blend of ceramic and metallic materials. With the cerametallic disc being thicker than sintered metallic, they provide a higher heat capacity. Kit contains 2 disc.

## Low Profile Master Cylinder Reservoir

TIL72-578 **\$135.99**

This three chamber plastic reservoir, that combines three reservoirs into one is great for applications where space is limited. Manufactured with leak proof baffle design that ensures fluid remains in reservoir. Two hole mount allows installation on either firewall or bulkhead. -4AN fittings. 4.08" tall x 7.24" wide x 3.36" deep.

## Drive By Wire Throttle Linkage System

TIL72-792 **\$123.99**

Designed to mount throttle pedal onto 600 and 900 series three pedal floor mounted assemblies, using Penny & Giles TPS280DP sensors.

## Triple Pedal Assembly • 800 Series

TIL72-803 **\$658.99**

This black aluminum floor mounted pedal assembly features high-efficiency spherical bearing type balance bar and pivot-mount master cylinder design. The forged aluminum pedals with anti-slip surfaces incorporate adjustable pedal ratios enabling custom driver preferences without changing master cylinder bore. Adjustable pedal stops prevent clutch over-stroking. Lightweight aluminum frame features guide ramps to reduce balance bar tipping, decreasing friction and improving brake repeatability.

## 1968-72 Chevelle Front Frame Replacement Kit

AFC40000 **\$949.99**

Manufactured with the same grade and thickness material as the OEM frame and approved by IMCA, WISSOTA, USRA, USMTS, DIRTcar, and most other major sanctioning bodies. The front stub assembly is both easy and consistent due to the locating tabs having built-in stops for alignment. Cross member has clearance built in the back side for radiator placement and in the front side for steering components along with being lowered on the left upper side for steering shaft clearance. Replacement individual right and left horns and right frame rails are available for crash repair. Designed with locating tabs for easy assembly.

## Fuel Cells And Accessories

These 20 gauge steel, race fuel cells are laser cut and CNC formed. The polyethylene bladder is cross linked for greater strength. Fuel spillage and evaporation is greatly reduced with the double sealed billet fill cap and o-ring with flapper gasket assembly. -10AN fuel pickup, -8AN fuel return, -6AN vent with rollover valve, fuel dipstick and 2" wide x 1.25" thick steel safety straps

## 55 Series Aluminum Drag Race And Pro Street Seat

These 55 Series aluminum seats that replace Kirkey 41 Series seats are constructed from .100" thick 5052 aluminum. Extra strength and safety is a result of an offset aluminum extrusion around the perimeter of the seat. Manufactured with double shoulder belt openings and sub belt openings with molded rubber inserts that will accommodate all belt systems. The 18-1/2" and 20" sizes feature longer bottom, sub belt and lap belt openings moved forward, side bolsters and rear belt openings raised to accommodate larger drivers. Covers and seat mounts sold separately.

## Youth Neck Support

ALP6540118-155-O/S **\$119.99**

Lightweight support provides an alternative load path for excess energy that compresses the neck of youth during moto riding, and kart racing, increasing safety and reducing the risk of injury. Ergonomically designed support features a rigid polymer frame with soft injected EVA to deliver a perfect fit. Fits 8-14 yr. olds.

## Sequence Youth Neck Roll

Developed specifically for young moto riders and kart racers. Sequence neck support is ergonomically profiled to deliver superior neck support. Neck roll features a soft PU foam base and hard EVA layer to deliver exceptional energy dissipation.

Part No.	Description	Price
ALP6741018-13-S/M	6-10 Yrs. Old	<b>\$39.99</b>
ALP6741018-13-L/XL	10-14 Yrs. Old	<b>\$39.99</b>

## Goanna Duffel Bag

ALP6106018-140-O/S **\$99.99**

Large, heavy duty bag, which is 82cm x 39cm x 45cm, is well suited to storing driving suits, garments, shoes/boots, etc. Bag features a single, large storage area and several smaller compartments with walls that may be removed to provide a single, large storage area, if desired. Two-strap handle eases transport.

## Komodo Travel Bag

ALP6106118-140-O/S **\$239.99**

Sized to secure all protective gear, travel bag is 94cm x 45cm x 40cm and may be transported using the two-strap handle or smooth, outdoor rolling wheels. Incorporated storage compartments include divider walls that may be removed, providing a single, extra large storage area.

## Restraint System

STR200311 **\$199.99**

This 5-point, pull down, V-style harness system is manufactured with black 3" lap, shoulder and anti-submarine belts. The easy to use rotary cam lock system allows release in either direction. Bolt-in. Meets SFI 16.1 specifications. Made in USA.

## Chute Pack • Fireproof

STR474 **\$104.99**

Nomex black cross form style parachute pack.

## Parachute Release Kit

STR544 **\$175.99**

This dual cable release kit includes 15' heavy duty cables, bracket and all necessary fittings needed for installation. Includes handle.

### PowerWash Concentrate

This super concentrated car wash is specially formulated for the automotive, powersports and R/C hobby industry. It is manufactured to rapidly dissolve dirt and mud, and clean without leaving streaks or spots. One gallon container. Sold each.

Part No.	Description	Price
VPFM10011	One Gallon	<b>\$22.90</b>
VPFM10018	Case (4) One Gallon Containers	<b>\$89.99</b>

### M2™ Upper Cylinder Lube

Formulated to protect aluminum fuel system components, cylinder walls and valves in methanol or alcohol powered engines. 16 Oz. container. Sold each.

Part No.	Description	Price
VPF2016	16 Oz. Bottle	<b>\$10.99</b>
VPF2019	Case (12) 16 Oz. Bottles	<b>\$100.99</b>

### Cool Down™ Coolant Improver

Manufactured with the ability to reduce cylinder head temperatures up to 50°F, provide better heat transfer and lubricate all vital components. Safe for all radiator systems. One 16 Oz. bottle will treat up to 20 quart cooling systems, straight water applications require 50% more Cool Down™. Treatments are good for 30,000 miles or one year, which ever comes first. 16 Oz. container. Sold each.

Part No.	Description	Price
VPF2085	16 Oz. Bottle	<b>\$10.99</b>
VPF2086	Case (9) 16 Oz. Bottles	<b>\$96.99</b>

### Fuel System Cleaner

This fuel system cleaner is formulated to increase fuel mileage, restore performance, virtually eliminate knocks and pings along with reducing harmful emissions. 16 ounces treats 20 gallons. 16 Oz. bottle. Sold each.

Part No.	Description	Price
VPF2805	16 Oz. Bottle	<b>\$10.99</b>
VPF2807	Case (9) 16 Oz. Bottles	<b>\$96.99</b>

### Power Boost™ Combustion Chamber Enhancer

This fuel system additive removes carbon deposits in the combustion chamber, reducing spark knock and eliminating the need to use higher-octane fuel. 16 ounces treats up to 18 gallons. 16 Oz. bottle. Sold each.

Part No.	Description	Price
VPF2825	16 Oz. Bottle	<b>\$9.99</b>
VPF2827	Case (9) 16 Oz. Bottles	<b>\$88.99</b>

### Cetanium® Diesel Fuel Additive

Cetanium® is formulated to clean injectors and pumps, prevent sludge and deposits, increase fuel mileage and increase diesel cetane up to 10 numbers. 32 ounces of Cetanium® will treat up to 10 gallons of diesel fuel. 32 Oz. container. Sold each.

Part No.	Description	Price
VPF2865	32 Oz. Container	<b>\$19.99</b>
VPF2867	Case (8) 32 Oz. Containers	<b>\$158.99</b>

### Multi-Purpose Oval Funnel

VPF3071 **\$25.99**

Yellow polyethylene oval funnel with 9-1/2" screw-on spout. Basin size 9-1/2" diameter x 12" long x 7" wide. 22" overall length. Sold each.

### Large Triangular Funnels

Blue polyethylene triangular funnels. Basin size 14" diameter x 11-1/4" long x 12" wide. Overall length 16" with 4-1/2" long spout. Available with or without replaceable filter.

Part No.	Description	Price
VPF3081	Large Triangular Funnel Without Filter	<b>\$35.99</b>
VPF3082	Large Triangular Funnel With Filter	<b>\$63.99</b>
VPF3091	Replacement Filter For Triangular Funnels, VPF3081 / VPF3082	<b>\$34.99</b>

### Motorsportsman® 3 Gallon Containers

Rugged, heavy-duty utility jugs are manufactured with high-density polyethylene which has 30% more material than standard containers. They feature an ergonomically contoured handle, bottom grip for easy pouring and non-breakable cap with rubber gaskets. Hose not included. Available in either white or blue.

Part No.	Description	Price
VPF4172	Three Gallon Utility Jug, White	<b>\$25.99</b>
VPF4174	Three Gallon Utility Jug, White, Case (4)	<b>\$100.99</b>
VPF4182	Three Gallon Utility Jug, Blue	<b>\$25.99</b>
VPF4184	Three Gallon Utility Jug, Blue, Case (4)	<b>\$100.99</b>

## Surecan® Fuel Containers

These gas cans feature patented spill proof technology with a rotating nozzle and thumb release trigger that allows the fuel to dispense from the bottom of the can, letting gravity do all of the work. Child-proof fill cap, self-venting and locking thumb trigger make these fuel cans the most innovative units on the market today. EPA, CARB, DOT, Canada UL certified.

Part No.	Description	Price
VPF3836	2.2 Gallon	<b>\$35.99</b>
VPF3848	5 Gallon	<b>\$49.99</b>

## Five Gallon Utility Jug

Durable five gallon square polyethylene utility jug. Includes non-breakable cap with rubber gasket. Five year limited warranty against cracks, leaks or splitting. Hose not included. Sold each.

Part No.	Description	Price
VPF4042	Five Gallon Utility Jug, Tan	<b>\$31.46</b>
VPF4044	Five Gallon Utility Jug, Tan, Case (4)	<b>\$125.84</b>

## Advanced Transmission And Engine Oil-Coolers

These new coolers feature stacked-plate design and all aluminum construction for minimum weight and maximum strength. Optimized for typical oil viscosities and uses to provide excellent efficiency and better cooling without significantly decreasing oil pressure.

### Transmission-Oil Coolers

Manufactured with dimple plate and fin design to improve cooling efficiency while minimizing transmission-oil pressure drop. These coolers provide class leading cooling for the toughest environments, such as racing and towing. Also available with 6-1/2" and 10" electric fans.

Part No.	Description	Price
FLE400008	11" x 3-5/32" x 3/4", 8 Row, -6AN	<b>\$99.99</b>
FLE400017	11" x 6" x 3/4", 17 Row, -6AN	<b>\$124.99</b>
FLE400023	11" x 7-7/8" x 3/4", 23 Row, -6AN	<b>\$139.99</b>
FLE400030	11" x 10" x 3/4", 30 Row, -6AN	<b>\$149.99</b>
FLE400117	11" x 6" x 3/4", 17 Row, 3/8" Barb	<b>\$80.99</b>
FLE400123	11" x 7-7/8" x 3/4", 23 Row, 3/8" Barb	<b>\$97.99</b>
FLE400130	11" x 10" x 3/4", 30 Row, 3/8" Barb	<b>\$104.99</b>
FLE600017	11" x 6" x 3/4", 17 Row, -6AN, 6-1/2" Fan And Temp Switch Mounts	<b>\$224.99</b>
FLE600029	11" x 9-41/64" x 3/4", 29 Row, 3/8" Barb, 10" Fan And Temp Switch Mounts	<b>\$244.99</b>
FLE600117	11" x 6" x 3/4", 17 Row, 3/8" Barb, 6-1/2" Fan And Temp Switch Mounts	<b>\$204.99</b>

### Engine-Oil Coolers

Using turbulized fins inside the cooling plates to avoid an outer layer of foam forming near the plate walls, these coolers will provide up to 4 times the heat rejection of lower cost coolers. The thick, 1-3/4" core minimizes oil-pressure drop through the cooler while maximizing heat transfer.

Part No.	Description	Price
FLE500007	11" x 2-3/4" x 1-3/4", 7 Row, 7/8"-14 Unf	<b>\$189.99</b>
FLE500017	11" x 5-3/4" x 1-3/4", 17 Row, 7/8"-14 Unf	<b>\$229.99</b>
FLE500021	11" x 7-1/2" x 1-3/4", 21 Row, 7/8"-14 Unf	<b>\$249.99</b>
FLE500028	11" x 10" x 1-3/4", 28 Row, 7/8"-14 Unf	<b>\$274.99</b>
FLE700021	11" x 7-1/2" x 1-3/4", 21 Row, 7/8"-14 Unf, 6-1/2" Fan And Temp Switch Mounts	<b>\$374.99</b>
FLE700032	11" x 11" x 1-3/4", 32 Row, 7/8"-14 Unf, 10" Fan And Temp Switch Mounts	<b>\$449.99</b>
FLE700040	11" x 14" x 1-3/4", 40 Row, 7/8"-14 Unf, 2 X 6-1/2" Fan And Temp Switch Mounts	<b>\$546.99</b>

**Note: Engine oil coolers have 7/8" port and include -8AN, -10AN, -12AN fittings with O-rings.**

## Raptor Late Model Transmission

WIN60200 **\$1,518.99**

The Raptor transmission has two forward speeds, neutral and reverse with high gear being direct drive 1:1 ratio. This non-synchro sliding gear transmission weighs 42 lbs. 10 Oz. and is manufactured with frictionless bearings on all gears and shafts along with a front bearing retainer designed to be compatible with Quarter Master hydraulic release assemblies. It's assembled with 1-1/8"-10 input shaft, 1-3/16"-27 output shaft, 1.504 low gear ratio and has external dimensions the same as a Muncie or Borg-Warner T-10 transmission.

## Front Hub Kit

With Screw On Dust Cap

WIN12240 **\$389.99**

Kit includes gun drilled studs, hub, screw on dust cap, rotor mount, bearings and seal kit with trick style aluminum lock nut.

## Rear Kit • 5 Bolt

WIN12242 **\$379.99**

Kit includes hub, gun drilled studs, 5 bolt 7075-T6 aluminum drive flange, rotor mount, bearings and seal kit with trick style aluminum lock nut.

## 2-1/2" Grand National Quick Change Rearend 60" With 2" Offset Pinion

WINK5063-60-2-6 **\$1,934.99**

Closed steel tube rear has a 8133-10-6 magnesium sprint center section with 6-bolt billet rear cover. The rear end is thermal dispersant coated 8208 and fitted with a 4.86 ring & pinion, aluminum 31 spline spool, 8106 heat treated lower shaft, 8104 posi-lock pinion assembly and a 8143 roller bearing pinion nose. It also includes 8155PMHD heavy duty aluminum 8-rib permanent mold bells and 8131 machined O.D. tubes that are .156 wall thickness option 8265-156. This rear end doesn't include a pinion plate allowing the customer to install their panhard bar mount of choice.

## Gear Covers

Part No.	Description	Price
WIN3792-01	Aluminum Sprint Center With Intergal Pump	<b>\$279.99</b>
WIN8478	Billet Aluminum O-Ring Gear Cover, Second Generation	<b>\$10.99</b>

WIN3792-01

## Yokes

Part No	Description	Price
WIN62946-9	27 Spline 9" Heat Treated Slip Yoke, Uses 1310 (1-3/16") Joint	<b>\$105.99</b>
WIN5038AS-32	32 Spline Aluminum Yoke, For Use With Gun Drilled Lower Shaft Must Use Winters Seal Part Number WIN7204-32-01	<b>\$162.99</b>
WIN7204-32-01	Seal For Winters 5038AS-32 Yoke	<b>\$19.99</b>

## Shifter Parts And Accessories

Part No.	Description	Price
WIN4013	Shifter Guide Plate, GM 700R4 Transmission, Stock Standard Pattern	<b>\$17.99</b>
WIN6018-03	Decal Strip, GM TH350 / TH400, Reverse Shift Pattern	<b>\$6.59</b>
WIN4095	Installation Kit, GM700R4 / 4L60E (For Shifter 177-1)	<b>\$27.99</b>

WIN4013

## Spindle Lock Kit

WIN4301S **\$33.99**

Steel spindle lock nut kit. 2-7/8" Wide 5.

Patented Tools For The Perfect Brake Job

## MaxPro HD • Brake Bleeder Combo Kit

PHS2001HD-B **\$409.99**

One person brake bleeding is possible with this combo kit which features reverse fluid injection technology and does not require any electricity or pressurized air for operation. Components are manufactured from heavy-duty steel and die-cast aluminum. Kit includes MaxPro® reverse bleeder, pressure tool, all required adapters, 100 Brakestrip™ fluid testers, instruction video and BrakeFree™ bleeder removal tool.

## Genesis Shock Racks

Great way to keep shocks organized and undamaged in either the shop or race trailer. Manufactured with 2" diameter holes with capacity for eight shocks including bulb shocks.

Part No.	Description	Price
PIT1040	Genesis 5.5" Shock Rack, 25" Wide x 3" High (face height) x 3-3/4" Deep. 5.5" Overall Height.	<b>\$79.99</b>
PIT1041	Genesis 9" Shock Rack, 25" Wide x 7" High (face height) x 3-3/4" Deep. 9" Overall Height.	<b>\$89.99</b>

## Double Gear Storage Rack

PIT139 **\$149.99**

Designed to store up to 24 quick change gears. 12 sets. 17-1/2" wide x 22" high x 4-1/4" deep.

## Dragster Nose Cone Holder

PIT318 **\$99.99**

This fully adjustable nose cone holder will fit practically all dragster nose cones. Manufactured with cushioned trim to protect expensive paint jobs and delicate edges. 16-1/8" high x 10" wide x 1-3/4" deep.

## Cabinet Door • Wall Mount Organizer

PIT323 **\$139.99**

This downsized organizer is designed for narrow style doors or small areas where space is at a premium. Ideal for storing oil, spray bottles and hand cleaner. Manufactured with three shelves, paper towel holder and 40 lb. capacity fold down work tray. 19-1/2" wide x 30" high x 5-1/2" deep.

## Broom Holder

PIT650 **\$27.99**

Easy to mount aluminum bracket designed to store standard sized brooms. 4-1/2" wide x 5-3/4" high x 2-1/4" deep.

## Rallye 4 ASM Harness System

SRBSR16100 **\$189.95**

Manufactured with ASM technology this simple, clean four point system is DOT approved. ASM stands for Anti-SubMarining. It's an extra flap of material sewn into the inboard shoulder belt that prevents sliding under the lap belt upon impact or extreme driving conditions. With ASM, one of the shoulder belts will elongate at different rate which forces the pelvis down into the seat cushion. Upon rebound the occupant will be placed back in an upright position with the belt placed correctly over their body. Installation is simple with the ability to install the belts in stock harness mounting locations. Black only.

## Enduro 6 Point Harness System

SRBSR91210US-0 **\$579.00**

Designed to be the easiest harness system to use on the market as a result of the new "Zip Adjuster" tightening system. This adjustment technology has been incorporated into the lap belt buckle as well as the shoulder adjustments to optimize the position of the adjusters. The new "Zip Adjusters" allow for easy, fast adjustments and faster driver changes. Manufactured with 3" shoulder belts, 2" lap and sub belts along with a push-button cam lock latching system. FIA approved. Black only.

## Helmet Hardware

SRBSR00056-0 **\$55.99**

Helmet hardware for use with Schroth SHR flex device.

## Five Bolt Axle Drive Flange

SOTADW570 **\$122.99**

This axle drive flange is an all aluminum housing with a pressed in hardened steel spline insert. Specifically manufactured for 5-lug 4.75" and 5.00" pattern applications. Will work with every 24 spline outboard axle spline on the market.

## Gun Drilled Short Track Axle

SOTAGY11303150 **\$239.99**

Shot peened ultra high strength alloy steel with gun-drilled 0.578" hole to reduce weight. 31 Spline, 1.130" O.D and 31.50" long.

## Sprint Car Tubular Torsion Bars With 3/4" Hole

These torsion bars use aircraft chrome vanadium steel which offers superior yield strength, fatigue properties and impact strength. The high carbon content allows for increased hardness and strength while the vanadium alloys have a higher shear modulus and elongation. Sold each.

Part No.	Description	Price
SOTSEE10403000	.975" Diameter x 30" Length	<b>\$162.99</b>
SOTSEE10503000	.987" Diameter x 30" Length	<b>\$162.99</b>
SOTSEE10603000	1.00" Diameter x 30" Length	<b>\$162.99</b>
SOTSEE10753000	1.015" Diameter x 30" Length	<b>\$162.99</b>
SOTSEE10853000	1.025" Diameter x 30" Length	<b>\$162.99</b>

# AURORA

## BEARING COMPANY

## PRM & PRB Performance

### Racing Series Male Rod Ends

Performance Racing Series, three-piece male rod ends feature a 4340 steel heat treated body, stainless steel heat treated race and alloy steel, heat treated and hard chrome plated ball with PTFE liner.

Part No.	Thread Size	Hole Size	Static Load Capacity	Price
AURPRM-8T	1/2"-20 RH	1/2"	23,310 lbs.	<b>\$79.99</b>

### Stock Car Headers

SCH197V-3 **\$259.99**

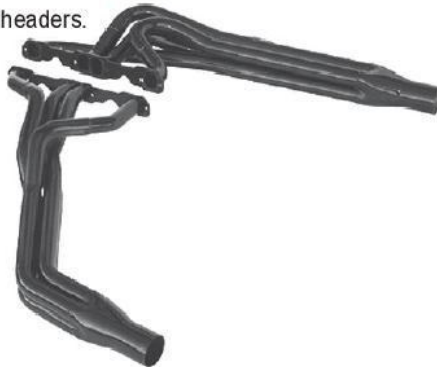

IMCA/UMP small block Chevy. No clearance issues with oil filter, spark plugs, starter, kick-out oil pan, rear mounts or valve covers. Clears firewall that is minimum 7" from back of block. Exits outside frame rail. Includes all required bolts and gaskets. Stepped tube diameter 1-5/8"-1-3/4". Collector 3" diameter, 8" long.

### Dirt Late Model Headers • Small Block Chevy

SCH180-606LV23GCM-3 **\$389.99**

604 Crate motor, 3 step headers. 1-1/2"x1-3/4"/1-7/8" tube diameter. 3" Diameter collector. 26" from head surface to inside of left collector. Includes bolts and gaskets.

### Header Flange

SCH0119 **\$29.99**

Small block Chevy flange. 1-3/4" Brodix spread port. Sold each.

### Header Gaskets

SCH01570 **\$8.99**

Small block Chevy Brodix Track 1 spread port. Pair.

### Exhaust Turn Out

SCH3523 **\$18.99**

3-1/2" Diameter, 4" long clamp on 23° slant cut.

### Rotor Plate • Grand National Aluminum Hub

COL103-7 **\$33.99**

Eight bolt, 7-5/8" bolt circle. Sold each.

### Trailing Arm Snubber

COL22040 **\$138.99**

Aluminum snubber with precision cut aircraft quality rubber biscuits. These biscuits have a smoother and much more gradual rate of compression. Includes an extra set of rubber bushings with a smaller diameter for softer compression.

### Harmonic Balancer • Crate Motor

COL25127 **\$449.99**

Manufactured from lightweight billet aluminum this 6" balancer, designed for GM crate motors reduces rotating weight, increases horsepower and features a steel outer sleeve that a magnet will stick to. Weighs 2.15 Lbs.

### Sportsman Hub Assembly

COL25484 **\$291.99**

Direct replacement for 1978-85 Chevy Impala spindles. Features an integral rotor mount using a 1.00" x 11-3/4" stock dimension rotor. Uses stock bearings. Races, seal and dust cap (sold separately). Has 5 x 5 bolt pattern with 5/8" course studs. Does not include rotor. Sold each.

### J-Bar Slider Mount

COL821-200 **\$83.99**

This aluminum slider mount clamps to 2" x 2" tubing for easy adjustment. Can be used as an adjustable mount for trailing arms, panhard bars or j-bars. Standard bolted. Sold each.

## AN Hose and Fittings Done Right *By Jim Kaekel*

The increased usage of alternative racing fuels in recent years coupled with the wide variety of existing fuels and lubricants has certainly complicated the selection of AN hose and fittings. Not only should the hose and fittings be compatible with the specific fuel, lubricant or coolant that they carry, but they also must be capable of withstanding the temperatures and pressures associated with the particular system. Lastly and no less important, they must be able to meet the given system's volume demands by being of sufficient diameter as well as being properly assembled and routed.

The term "AN" was initially derived from "Army-Navy" as the two military branches collaborated to develop specifications for hose and fittings that were used on aircraft during World War II. All AN fittings include a 37° flare and are engineered to be mated with 37° flared tubing to provide effective sealing. It's important to note that they shouldn't be confused or interchanged with industrial-use, "JIC" (Joint Industry Conference) fittings, which also utilize a 37° flare, however, feature distinct differences in thread design and construction.

Following the end of the war, many veterans became active participants in the growing hot rod movement and due to their familiarity with the mil-spec hose and fittings, began using them on their hot rods and race cars as well. Their renowned durability drove their popularity as many racers switched from using traditional black rubber hose and worm-drive clamps to AN hose and fittings.

The wide variety of fuels, lubricants and coolants throughout the years led to the development of several different types of AN fluid transfer hose. Although the first fluid transfer hose was constructed from rubber, the second World War led to the creation of CPE synthetic rubber hose (Chlorinated Polyethylene), due to the fact that the axis powers (Japan, Germany and Italy) retained control of much of the world's natural rubber supply. CPE hose was engineered to be compatible with a variety of petroleum or synthetic lubricants, hydrocarbon fuels and coolants, and was designed for use with fittings that could be installed using common hand tools. Still prevalent today, the hose is marketed under a variety of trademarked names including Aeroquip's "AQP" and XRP's "CPE Race Hose".

Developed in the 1950's for high pressure hydraulic systems that were subject to nearly 3,000 PSI, PTFE (Polytetrafluorethylene) synthetic fluoropolymer is the hose of choice for brake, power steering, automatic transmission and nitrous systems, due to its ability to withstand extremely high

pressures. It has also proven effective for use with alcohol or E85 fuels as well. When used with natural or synthetic rubber hose, E85 causes permeation, a condition where the fuel penetrates the hose, breaking it down and introducing contaminants into the fuel system including the carburetor or fuel injectors. The fuels can also be corrosive to some types of fittings as well and for this reason, manufacturers have responded with fittings specifically for use with E85, such as Earl's "Ano-Tuff" and Fragola Fuel Systems "Real Street".

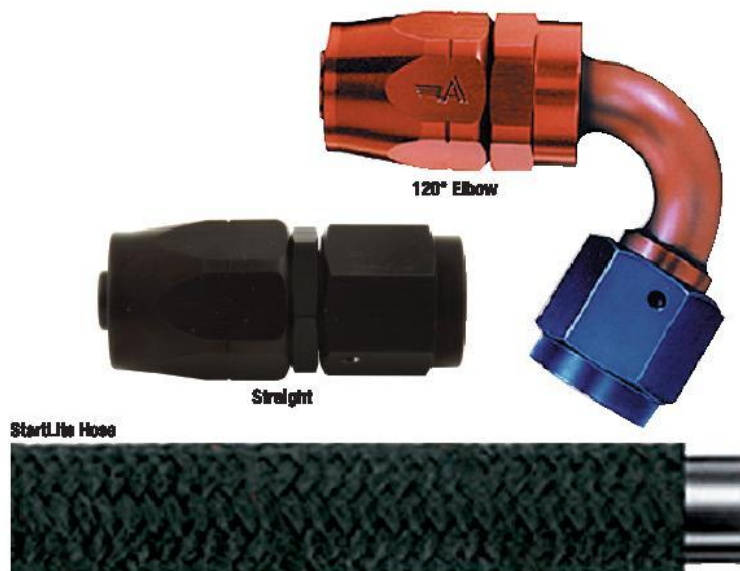

Hose sizing should be based purely upon the pump manufacturer's recommendations, clearly spelled out in the product instructions. Aeroomotive Fuel Systems, for example, recom-

mends that when using their A1000 fuel pump that a -10AN fuel line be run from the fuel cell to the fuel filter and pump. Following the manufacturer's guidelines ensures that the line is of sufficient size to provide the necessary volume of fuel and meet the demands of the fuel pump. Hose should additionally be routed with the idea to optimize the transfer of liquid for maximum flow with as few bent tube hose ends as possible, particularly those which are 90° or greater.

If the car in question is a race car and weight is of concern, special lightweight AN hose and

fittings, such as Aeroquip's "Startlite", can be used to reduce weight by up to 30 lbs. This is particularly true on applications fit with a multi-stage, dry sump oiling system that requires a significant amount of plumbing. The only compromise is the fact that since the hose lacks the outer stainless steel braid, it is more susceptible to abrasion. Regardless of choice, it's equally important that the hose is compatible with the desired fittings. Enthusiasts can choose from cutter, compression and push-on style fittings, offered by manufacturers including A-1 Plumbing, Aeroquip, Earl's, Fragola, Goodridge, Russell, Triple X and XRP.

Selecting the right AN hose and fittings is yet another avenue in car building that requires a bit of homework prior to purchase, ensuring that they are not only complementary to other system components, but are also truly compatible with the fluids that they must carry. Each manufacturer clearly spells out hose and fitting specifications, hose and fitting compatibility, assembly procedures and a wide variety of technical data in both their print and digital catalogs.

## Vinyl Care Kit

BES11215-00 **\$38.99**

Vinyl Care Kit has all three primary vinyl fabric/vinyl window care and protectant products all in one box. Keep one in your Jeep and another in the garage for year-round use. *Note: These products are not for use on black or color twill fabrics.*

## Underseat Storage Lockbox, Driver Side

BES42641-01 **\$59.99**

Your Wrangler could be very theft-friendly. You need to have a secure place to put your smaller valuables or personal protection and our Underseat Storage Lock Boxes are the solution. Pick-resistant key locks and 16-gauge carbon steel construction with ample storage volume make our Lock Boxes a must-have item.

## Window Storage Duffie

BES42810-09 **\$93.99**

Window Storage Duffie has layers of special blue fabric that are non-abrasive and won't scratch or mark your window panels. Just insert the windows one at a time between the protective layers, and simply roll up the bag. Velcro straps secure the neatly rolled duffie so it can fit in the rear cargo area perfectly.

## Highrock 4x4 High-Access Front Bumpers

BES42917-01 **\$449.99**

High-access bumpers provide more clearance in front for larger 35" and up tires. Well-known for great design, toughness and ease of installation. Available in Matte Black finishes.

Part No.	Description	Price

BES42921-00	Shackles/D-Rings Pair	<b>\$25.99</b>

## Highrock 4x4 Mirror Replacement Set For 1988-06 Wrangler

BES51261-01 **\$92.99**

Designed to match factory-original styling and function, these mirror sets simply bolt up to factory mounting locations with no drilling or modifications required. All mirror kits come in pairs complete with mounting hardware and instructions.

## Hood Latch Kit For 1942-95 Jeep CJ/Wrangler

BES51291-01 **\$9.49**

Replaces old or worn out hood latches. Maintains look and function of your original hood latches. Steel construction for durability. Includes set of two latches for both sides of hood. Black painted finish.

## Quick Disconnect Kits

Offers quick release hubs for quick removal and remount of our wheels. Quick Release Hubs are manufactured from aircraft quality billet aluminum. Parts are precision CNC machined to exacting standards to provide the finest quality quick release hubs available. These parts are designed for off-road use only. Not legal for street use.

## OEM Saginaw 525 Manual Box

BRG920030 **\$328.50**

The input shaft has been shortened to 1" for use in street rod applications where the box is close to the firewall. 3/4"-36 Input shaft with quick 16:1 ratio.

## 1997-02 Dodge Diesel Hose Kit

BRG925117 **\$94.50**

Dodge Power Steering Hose Kit, OEM Style Rubber with Hydro-Boost Brakes. Includes all pressure and return hoses for both the power steering and Hydro-Boost brake system.

## Drag Link Adapter For 1963-82 Corvette

BRG990002 **\$98.10**

Manual drag link adapter. Replaces control valve on 1963-82 Corvettes equipped with factory style power steering.

## NEW LOWER PRICE!

## HTC 64T Racing Brake Fluid

BRM04816420 **\$34.99**

HTC 64T brake fluid is specially formulated to endure extreme racing conditions, providing low compressibility at high temperatures. Fluid features a high dry boiling point of 365°F. Sold in 16.9 oz. bottle.

## Aluminum Front Cover

KSEKSD1002 **\$172.58**

Standard cast aluminum Small Block Chevy front cover. Compatible with all gear, chain cam and drive system. Bolt patterns accept all popular dry sumps. Standard cam position.

## Outback F4 15" Mini LED Light Bar, Clear

PCP20-351 **\$50.99**

These compact yet powerful 11 clear L.E.D. four function Outback F4 Mini Light Bars fit neatly between the tailgate and bumper of most popular full size pickup trucks. With running light, brake light and right and left turn signals they are functional and attractive additions to any full size pickup.

## Running Light Diode Sealed LED

These powerful waterproof Diode red L.E.D. Running lights are perfect for a wide variety of vehicle uses from cars, trucks and SUV's to recreational vehicles and ATV's. Their all weather reliability increase visibility in all traffic conditions. Sold separately.

Part No.	Description	Price
PCP20-601	Red 3 LED Sealed Light	<b>\$12.99</b>
PCP20-701	Red 12 LED Single Light	<b>\$14.99</b>

## Clear Scuff Protectors

PCP25-551 **\$12.99**

Ideal for protecting painted bumper surfaces from scratches and scuffs when loading and unloading a trunk or cargo area, Pacer Scuff Protectors are constructed of tough, durable UV protected clear PVC yet are flexible enough to conform to bumper curves. Mount in minutes using 3M self stick tape. Sold in pairs.

## Universal Flexy Flares

Universal Flexy Flare Rubber Fender Extenders are an inexpensive way to protect paint and body panels from dirt, rocks and road debris.

Constructed of heavy duty 1/8" thick EPDM rubber, they include a built-in curvature to maintain their form and shape without distorting. These extend the fender a full 2 1/2" using a bolt on design for long lasting durability. Includes mounting hardware and instructions.

Part No.	Description	Price

## 1" Body Lift Kit For 1987-96 Jeep Wrangler YJ

PTN1-113 **\$144.99**

One of the most cost-effective methods of improving the handling and "feel" of any vehicle is to replace the mushy and probably worn-out OEM rubber body mount bushings. Provide the necessary rigidity, yet have ample resilience to keep every thing quiet. Perfect for both off-road and street use.

## Track Arm Bushings, Front For 1997-2006 Jeep Wrangler YJ

PTN1-1205 **\$12.99**

Get rid of that annoying sway after installing these bushings into your vehicle's Track Arm. Specifically formulated to control any unwanted motion in the front or rear of today's straight axle vehicles. A must for any heavy-duty application or race vehicle.

## Motor Mounts For 1987-06 Jeep YJ/TJ L6

PTN1-502 **\$108.99**

Mounts are designed to limit the travel, reduce the chance of breakage and put the power to the wheels. Features a Poly-Locked "run-safe" feature.

## 1995-05 Neon Shifter Bushings

PTN4-1605 **\$14.99**

One of the sloppiest items on front wheel drive cars can be the shifter. This is especially true if the car is getting older or has been shifted hard. Firms up your linkage while providing you with added confidence during power shifts. A very inexpensive performance enhancer!

## Leaf Spring Bushings

In leaf spring-type suspensions there are significant forces focused on the pivot points and shackles. For this reason, it is imperative to replace the soft, blownout OEM rubber bushings with premium grade polyurethane components. All related sleeves, etc. are precision fabricated to assure a perfect fit.

Part No.	Description	Price
PTN6-1055	2004-06 Ford F150	<b>\$89.99</b>
PTN7-1057	1999-09 GM P/U 1500	<b>\$56.99</b>

## Body Mount Kit For 1978-88 GM P/U

PTN7-132 **\$131.99**

One of the most cost-effective methods of improving the handling and "feel" of any vehicle is to replace the mushy and probably worn-out OEM rubber body mount bushings. Body and cab mounts provide the necessary rigidity, yet have ample resilience to keep everything quiet. Perfect for both off-road and street use.

## C-Arm Bushings For 2001-07 GM P/U

PTN7-237 **\$53.99**

Provides you with additional opportunities to "snug up" your suspension with heavy duty "C" bushings for use in the "jaws" of Ford strut arms. These components help provide a responsive, stable ride and eliminate the "wandering" associated with worn stock bushings. Different degrees are available for varying ride heights.

### Corvette Street Tri-Y Headers And X-Pipes

The Tri-Y design maximizes torque throughout the powerband while the 200CPSI stainless steel converters maximize flow and performance without creating check engine light issues. The X-Pipe balance tube equalizes pressure to minimize engine drone and increase flow and performance.

AFE48-34103-YC

Part No.	Description	Price
AFE48-34103-YC	1997-04 C5 V8-5.7L	<b>\$1,985.99</b>

### 2014-15 Silverado/Sierra 1500 5.3L Twisted Steel® Headers

AFE48-44005-YC **\$1,767.99**

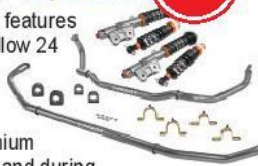

This system includes formed 4-To-1 collectors, a unique 3" to 3-1/2" performance y-pipe, and high-flow 48-state legal catalytic converters.

### 2012-15 Camaro Stage 2 Suspension Package

AFE520-402001-N **\$3,320.99**

This suspension kit features coilover shocks that allow 24 distinct settings via a rotary knob. Ideal package for the daily driver looking for premium handling on the street and during weekend track events. Fits 2012-15 Camaro V8 applications.

### Corvette (C5/C6) Johnny O'Connell Series Coilovers

AFE430-401003-J **\$2,845.99**

The unit's CIRC (Concentric Integrated Remote Canister) system allows for triple the gas volume insuring your suspension performs its best on the street as well as at the track. Manufactured from 6061-T6 hard anodized aluminum. 1997-2013 Corvette (C5/C6) applications. Complete set of 4.

### Corvette (C7) Featherlight Coilovers

AFE430-401004-N **\$2,845.99**

Designed with the CIRC (Concentric Integrated Remote Canister) System allows for full articulation and offers a durable, quiet mounting solution without restricting suspension travel. The rotary knob adjusts both compression and rebound allowing for 24 distinct settings. The threaded body allows for ride height adjustment. The precision, CNC machined 6061-T6 hard anodized aluminum units fit 2014-15 Corvette (C7). Complete set of 4.

### Corvette C6 Complete Camber Kit

AFE450-401010-A **\$394.99**

The precision indexed solid spacers replace factory alignment eccentrics allowing for a positive lock on your alignment settings regardless of driving conditions. For 2006-13 Z06/ZR1.

### Corvette C6 Control Arm Solid Spherical Bearings

AFE460-401001-A **\$1,990.99**

Eliminate OE factory control arm bushing deflection with solid spherical control arm bushings. The American made low friction teflon lined mono-ball spherical joints combined with lightweight 6061 aluminum housings offer improved cornering for the serious racer. For 2006-13 Z06/ZR1.

### Corvette (C7) Sway Bars

AFE510-401001-N **\$831.99**

CNC bent, 4130 powder coated chrome moly sway bar set. The kit includes a 2-way adjustable 35mm diameter front bar and a 3-way adjustable 31.75mm rear bar, polyurethane bushings, and 6061-T6 aluminum rear brackets. Fits 2014-2015 Corvette (C7) applications.

### 2012-15 Camaro Sway Bar And Lowering Spring Package

AFE510-402001-G **\$850.99**

Featuring chrome moly adjustable sway bars and lowering springs. The kit will lower your Camaro 1 to 1-1/2 inches creating an enhanced look while still having proper function. Fits all Camaro V8 applications.

### Manual Conversion Kit For 1979-93 Mustang

UNI8000360 **\$414.00**

Looking to convert your 5.0 Mustang to manual steering, and loose that unwanted weight! Unisteer offers a complete conversion kit that will cut 35+ lbs. from your front end. The Mustang Conversion Kit is complete with new chrome center tube rack, outer tie rod ends, bushings and the conversion shaft.

### Manual Rack And Pinion Kit For 1996-04 Chevy S10

UNI8001020-01 **\$1,066.50**

This style of rack and pinion bolts up into place where the existing steering box and idler arm is bolted. This unit is pounds lighter than the original steering and maximizes clearance for V-8 swaps. This kit is for 2-wheel, rear wheel drive vehicles only. *Note: You will need to reuse or obtain the two factory 5/8"-18 right hand thread outer tie rod ends for this kit.*

### Power Rack And Pinion Kits

The kit is made for the Chevilles and other GM A-Body cars. The kit does clear the Z-Bar and 4 Speed Linkage. On the Big Block, stock manifolds and Super Comp Headers work, and on the Small Block motor Hooker Comp Headers work. Other headers may work, but may need modification. The kit is set up to go on cars with either small blocks or bick blocks with long water pumps. *Note: Some aftermarket cylinder heads may have a raised exhaust floor anywhere from 0.25" - 0.4" which may also affect your header location. This kit will also bolt into a 1968-72 small block El Camino and Monte Carlo.*

Part No.	Description	Price

DO THE JOB RIGHT.

**TIG Welder 200 Amp 110V/220V**

EAS20565 **\$699.99**

Welder operates on 200V AC, 30 amp circuit, while offering affordable, professional quality TIG welding on aluminum, stainless, sheet metal, and tube or bar stock up to 1/4" thick. High frequency start provides precise arc control. WP-17 type torch accepts common cups and collets, and up to 1/8" electrodes. Duty cycle of 45% at 150 amps.

**TIG Welder 200 Amp DC**

EAS20566 **\$474.99**

Weld steel or stainless up to 3/16" thick. Premium quality unit includes pre-set post and pre-flow gas, overload protection and adjustable amperage control through trigger switch or foot pedal operation. Adjust amperage from 10 to 200 amp. Accepts all common electrodes and collets up to 1/8". Unit is operable as 110 or 220 volt.

**250 Amp MIG Welder**

EAS20279 **\$799.99**

Provides the power to weld steel up to 1/2" thick and aluminum up to 1/4" thick. Designed to run on 120V or 240V, this lightweight unit (up to 50% less weight when compared to similar welders) is the ideal tool for the racetrack as well as the job site. The additional features of this competitively priced MIG welder include: infinitely adjustable 30-250 AMP welding range, 60% duty cycle at 250 AMP setting, 10' long torch cable, 10' long ground cable, uses 4" or 8" wire spool, and is covered by a three-year warranty.

**LS Engine Swap Mount Kit**

TRA4205 **\$119.99**

Comes with pair of frame mount brackets, engine adapter plates, polyurethane bushings and mounting hardware. For 1973-87 Chevy C10.

**Differential Cover**

TRA4822 **\$179.99**

Dana 44 (10 Bolt), Polished Aluminum Differential Cover Kit.

**Belt Drive Pump Assembly SB Chevy**

END5011 **\$315.99**

Fuel Pump Belt Drive. Belt/Brackets/Drive Pulleys/Hardware. Steel. Black Paint. Small Block Chevy. Kit.

**80A-0 Fuel Pump 4.0 GPM**

END3002 **\$562.99**

Hex Driven Fuel Pump. 4.0 gph. In-Line. -8AN Male/Female In/Outlet. Aluminum. Black Paint. Alcohol/Gas/E85. Sold Each.

**Diaphragm Bleeder Kits**

Works on the same principal as a high speed bypass. Preset spring pressure against a diaphragm controls the amount of air that passes through the port. Releases air instantly in a 360 degree pattern. No compensation or guesswork is required. Repeats within 2/10 of a pound. Using four different springs, unit has a range of two to thirty pounds.

## Torque Absorbers

Offered in three versions; Standard, uses two interior biscuits and is 12-1/2" long; Intermediate, uses three interior biscuits and is 14" long and Long, uses four interior biscuits and is 16" long.

Part No.	Description	Price
QRP66-400	Intermediate, 14" Long	<b>\$149.95</b>
QRP66-499	Long, 16" Long	<b>\$167.95</b>
QRP66-500	Standard, 12-1/2" Long	<b>\$139.95</b>
<b>Replacement/Accessory Component</b>		
QRP66-512	Travel Indicator	<b>\$21.95</b>

## Steering Wheels

Quality dished aluminum or steel spoked steering wheels are offered with a choice of smooth red, blue or black grips.

Color	Part No.	Price
<b>15" Steel Steering Wheel</b>		
Black	QRP68-003	<b>\$45.95</b>
Red	QRP68-0031	<b>\$45.95</b>
Black	QRP68-0032	<b>\$45.95</b>
<b>15" Aluminum Steering Wheel</b>		
Black	QRP68-001	<b>\$51.95</b>
Red	QRP68-0011	<b>\$51.95</b>
Black	QRP68-0012	<b>\$51.95</b>
<b>17" Aluminum Steering Wheel</b>		
Black	QRP68-002	<b>\$54.95</b>
Red	QRP68-0021	<b>\$54.95</b>
Black	QRP68-0022	<b>\$54.95</b>

## Lightweight Steering Wheels

Lightweight, 15" diameter aluminum steering wheels are drilled and shot peened to reduce weight and increase grip. Steering wheels weigh less than 1 lb. and include a 1-1/2" dish. Choose from natural or black powder coated.

Part No.	Description	Price
QRP68-005	Natural Finish	<b>\$73.95</b>
QRP68-006	Black Finish	<b>\$79.95</b>

## Steering Wheel Disconnects

Precision machined from billet aluminum, Steering Wheel Disconnects are offered in hex hub and fine spline hub 360°.

Part No.	Description	Price
QRP68-010	Hex Hub Button Style Disconnect	<b>\$28.95</b>
QRP68-015	Fine Spline Hub 360° Disconnect	<b>\$59.95</b>

## Premium Black Cable Ties

QRP58-250 **\$79.95**

Black, 15" long cable ties are made of weather resistant nylon and include metal locking barbs to provide a reliable, locking force. Sold in packs of 50.

## Kill Switch Steering Wheel

QRP50-190 **\$79.95**

Mounts on the Steering Wheel to allow driver to shut down the ignition without removing their hands from the wheel. Mandatory in many racing sanctioning bodies across the country. Includes switch, cord and mounting hardware. Sold as one complete kit.

## Throttle Stop Brackets

Offered for popular Holley carburetors, fully CNC-machined black anodized aluminum bracket includes adjustable throttle stop.

Part No.	Description	Price
QRP64-157	Holley 4BBL	<b>\$37.95</b>
QRP64-158	Holley 2BBL	<b>\$37.95</b>

## Mini Brake Bias Gauge Panels

Mini, 2-3/4" x 4-1/2" brake bias gauge panels have 1-1/2" diameter gauges with bleeders to evacuate air pockets and establish a reference point for pressure ratios. Offered with checkered flag or black panel.

Part No.	Description	Price
QRP61-101	Vertical Mount, Checkered Flag	<b>\$69.95</b>
QRP61-103	Horizontal Mount, Checkered Flag	<b>\$69.95</b>
QRP61-105	Vertical Mount, Black	<b>\$69.95</b>

## Remote Outlet Kits

Connect battery chargers, oil heaters, etc. quickly and more effectively. Kits attach easily to outside body panels, providing remote access to batteries, oil heaters, etc.

Part No.	Description	Price
QRP57-710	Remote Outlet Only, 110 Volt Male Recessed	<b>\$22.95</b>
QRP57-711	Remote Outlet For Oil Heater Or Battery Charger	<b>\$32.95</b>
QRP57-723	Remote Battery Charger Outlet With Cover	<b>\$49.95</b>

## The Diamondback

Groundbreaking helmet includes chin air ram ducts with contrasting vents and fire retardant lining. The Diamondback meets Snell SA2015 specifications and is offered in white or matte black with a clear shield.

Size	Part No.	Price
<b>White</b>		
7-1/8	SIM6297181	<b>\$699.95</b>
7-1/4	SIM6297141	<b>\$699.95</b>

7-3/8	SIM6297388	<b>\$729.95</b>
7-1/2	SIM6297128	<b>\$729.95</b>
7-5/8	SIM6297588	<b>\$729.95</b>
7-3/4	SIM6297348	<b>\$729.95</b>

## 8' Air Boss Parachute

SIM42030BK **\$579.00**

Durable, Kevlar lined parachute provide added safety and durability. Black.

## Nomex Socks

100% Nomex and are certified to SFI 3.3. White only.

Size	Part No.	Price
Small	SIM23032S	<b>\$34.95</b>
Medium	SIM23032M	<b>\$34.95</b>
Large	SIM23032L	<b>\$34.95</b>
X-Large	SIM23032X	<b>\$34.95</b>

## Header Spark Plugs Guards

MPD18001 **\$86.99**

Don't let mud or rocks ruin your race. These lightweight aluminum Spark Plug Guards have brackets that bolt to your headers with 2 quick connect fasteners. Kit includes right and left guard, two front and two rear mounting brackets.

## Fuel Block

MPD73900 **\$93.99**

Fuel Block has -8AN outlet and three -6AN inlets. Sold complete with fittings.

## Race Safe Racing Cells

Ideal for hobby stock, vintage and road course. Available with or without steel container. Cell has formulated polymer bladder, full foam baffling, standard fill plate with 2-1/2" threaded cap and roll-over valve, internal fuel strainer and dual, -8AN fuel pick-up. Compatible with alcohol if foam is removed. 22 gallon.

Part No.	Description	Price
<b>Racing Bladder Only</b>		
FUERS122B	24-3/4"L x 16-5/8"W x 13-5/16"H	<b>\$557.99</b>
<b>Racing Bladder With Steel Container</b>		
FUERS222A	34-5/8"L x 18-1/8"W x 9-1/2"H	<b>\$826.99</b>

## Pro Cell Racing Cells

FUEPC110 **\$996.99**

Tough, durable cell's ballistic nylon bladder is covered with fuel resistant coating and filled with foam baffling. A steel container, aircraft nut ring, dual -8AN pick-up, internal strainer and 6" x 10" fill plate with 2-1/2" threaded cap and roll-over valve are standard. Approved for NASCAR, FIA, SCCA, SCORE and others. For gasoline only.

## Dry Sump 3 Gallon Tanks

They include a built in oil filter which keeps the tanks clean of engine debris and helps on deaeration of the engine oil. Allows the air to escape out the bottom of the tank while leaving the oil where it belongs. Available in either standard or lay down filter box for easy maintenance.

Part No.	Description	Price
PTR08-0911-CJR	9" Dirt Late Model Tank With Laydown Filter	<b>\$1,176.99</b>
PTR08-0911-DB	9" Dirt Late Model Tank With Standard Filter	<b>\$1,164.99</b>

## R4 Series Bellhousing Mount Dry Sump Oil Pump

PTR04-5050 **\$1,499.99**

R4 Series dry sump oil pumps bolt directly to a Bert or Brinn bellhousing. Pumps with rear drive accept KSE tandem pumps and Sweet power steering pumps.

## I-Stop IQ Electronic Brake Controls

REE20191 **\$94.99**

Self-diagnostics features will illuminate LED readout when issues occur. Includes a "Boost" feature and works proportionally in reverse. Utilizes "Plug-N-Play" port for 2-plug adapters. Includes snap-in mounting clip allowing user to remove and store the control when not in use. For 1 to 3 Axles.

## P3® Electronic Brake Control

REE90195 **\$173.99**

P3 the industrie's most advanced electric trailer brake control. A true proportional braking system, P3 has several added features, making it the new standard for electric trailer brake controls. For 1 to 4 Axles.

## P2 Electronic Brake Control

REE90885 **\$148.99**

Reverse battery protection for both vehicle and breakaway. Designed to work with electric over hydraulic brake systems. Numerous mounting options - including 360 degree vertical rotation. No level adjustment necessary - it adjusts itself to varying terrain as you drive. Quick and easy disconnect feature allows user to remove and store the control when not in use. For 1 to 4 Axles.

## Racing Oil

Purpose built for severe racing applications, Racing Oil includes Champion's proprietary TVS (Thermal Viscosity Stabilizer), special lubricity modifiers, anti-wear additives and ZDDP. Formula has proven to meet the stringent demands of competition and provides exceptional film strength, while delivering added horsepower and torque.

Description	1 Case (12) 1 Qt. Bottles	Price
<b>Synthetic Blend Oils</b>

15W-50	CH04309H-12	<b>\$151.20</b>

Buy 5 Cases and Get 6th Free!

## Race Cell

Small capacity, 3 or 5 gallon fuel cells are suitable to a variety of racing applications. Cells feature a seamless, hard rubber bladder, include 3" aircraft-style flush cap and are fully compatible with race gas, ethanol and methanol blends up to 100%.

Part No.	Description	Price
ATLRA103	3 Gallons, 6 lbs., 8" x 8" x 15", -8AN	<b>\$339.99</b>
ATLRA105	5 Gallons, 8 lbs., 10" x 10", 17", -8AN	<b>\$358.99</b>

## Aluminum Battery Box

TAY48101 **\$174.99**

Three-piece, .040" aluminum boxes meet SFI 8.1 specifications and are required by NHRA and IHRA when there is no firewall between the driver and the battery. Includes hold down and mounting hardware.

## 8mm Spiro-Pro Universal Wire Set

TAY73051 **\$66.99**

Applications for small and big block Chevy. Provides up to 10 times less resistance than standard resistor core wire. A must for electronic ignitions, on-board computers and pit radios. 100% silicone inner and outer jacket provides heat protection up to 600° F. Black.

## 8mm Spiro-Pro Coil Wire Kit

TAY45409 **\$10.99**

Taylor coil wire kits include all of the terminals, boots, and spark plug wire you need to hook up just about any ignition coil. They include both male and female terminals for the distributor end, as well as for the coil attachment. Black.

## "Waterproof" Sealed Toggle Switch

TAY1026 **\$23.99**

Ideal for dirt circle track, switch has internal O-rings and a plasticized body to protect against dirt and moisture.

## EZ-EFI 2.0

FST30401-KIT **\$2,954.99**

Allows converting from a carburetor to EFI without the need for a laptop or tuning experience. Easy to install and operate; simply hook-up the system, answer the Setup Wizard questions on the hand-held unit and EZ-EFI 2.0 tunes itself.

## EZ-EFI Kit Without Fuel Pump For 1972-91 Jeep 4.2L

FST30294-06KIT **\$1,434.99**

Engineered specifically to work with the unique requirements of 1972-1991 Jeep CJ/YJ 4.2L, 6 cylinder applications. Contains an adapter plate and throttle body, weather-proof ECU, wiring harness, hand-held device and everything required for installation.

## Electronic Fuel Pressure Kit

FST301410 **\$99.99**

Provides electronic fuel pressure measurement capability in an easy and affordable kit. This means it obtains an accurate and instantaneous fuel pressure measurement that can be used to improve fuel delivery accuracy and provide an accurate signal for data acquisition.

## EZ TCU Transmission Controller Kit

FST30282-KIT **\$642.99**

Simply install this transmission control unit according to the enclosed instructions, and then start the system by answering the simple Setup Wizard questions on the included hand-held unit.

## Precision-Flow Fuel Injectors

FST30355-8 **\$1,809.99**

Engineered to offer increased throttle response, maximum fuel atomization and reduced clogging. Sold in sets of eight.

## XR-1A Coil Harness For Ford Modular/Coyote Engines

FST30367 **\$219.99**

Pre-made to simplify the XR-1A coils on a Ford Mod or Coyote engine that utilizes XIM™ ignition control module.

## XFI Street™ Engine Management Systems

The XFI Street™ uses the same wiring as the EZ-EFI® making it easy to replace an existing EZ-EFI® ECU. The XFI Street® also has data logging capabilities when connected to a laptop and is only recommended for naturally aspirated engines. Made in USA.

Part No.	Description	Price
FST304000	Multi-Port Engine Management System	<b>\$913.99</b>
FST304001	Engine Management System With EZ-EFI® Fuel Throttle Body	<b>\$1,889.99</b>

## Ford 5.0L Coyote Valve Timing Control Module

FST3013173 **\$752.99**

Designed as a plug and play interface between the Coyote engine, Fast® XFI Sportsman™ and an XIM™ ignition module. Allows ECU to control position of a Coyote's four phaseable cams. Made in USA.

## EZ-LS™ GM Coil-Near-Plug Ignition Controller

FST301312E **\$411.99**

Delivers low cost and proven ignition control for any LS engine swap utilizing a variety of FAST™ EFI setups. Works with all 1997-Current GM coil-near-plug ignition systems and both 24x/58x tooth reluctor wheels. Not compatible with LS truck-finned coils.

## Aluminum Fuel Cells

New lightweight tig welded 5051 aluminum fuel cells are filled with foam, include two -8AN outlet fittings, one -8AN vent fitting and one -8AN return fitting. Large 15 and 20 gallon capacity cells are also offered with GM type (0-90 ohms) sending unit. Mounts must be purchased separately.

Part No.	Description	Price
JAZ210-503-03	3-Gallon	<b>\$209.99</b>
JAZ210-504-03	4-Gallon	<b>\$211.99</b>
JAZ210-505-03	5-Gallon	<b>\$221.99</b>
JAZ210-510-03	10-Gallon	<b>\$276.99</b>
JAZ210-515-03	15-Gallon	<b>\$308.99</b>
JAZ210-520-03	20-Gallon	<b>\$363.99</b>
JAZ210-614-03	14-Gallon	<b>\$363.99</b>
JAZ210-615-03	15-Gallon With Sender, 0-90 ohms	<b>\$359.99</b>
JAZ210-620-03	20-Gallon With Sender, 0-90 ohms	<b>\$389.99</b>

## 9" Nodular Cases

Accepts OEM and after-market Ford 9" pinion supports.

Part No.	Description	Price
STGN2205	3.062" Bore	<b>\$249.99</b>
STGN2206	3.250" Bore	<b>\$249.99</b>

## Flywheels

Centerforce Flywheels meet stringent SFI 1.1 specifications.

Part No.	Description	Price
<b>Chevrolet</b>		
CTF700100	Chevy Flywheel	<b>\$325.95</b>
CTF700107	GM Steel Flywheel	<b>\$510.95</b>

### Hydroformed Subframe

Subframe is unassembled for SB Chevy, LS1 and BB Chevy applications. Components include hydroformed framrails, stamped crossmembers, tubular upper and lower control arms, coilover shocks for subframe with "Detroit tuned" valving, coilover springs, power rack and pinion steering, splined sway bar and C6 steering knuckles and bearing packs.

Part No.	Description	Price
DSE032002	Hydroformed Subframe Uncoated, 1967-69 F-Body With BB Chevy	<b>\$7,250.99</b>
DSE032004	Hydroformed Subframe Black Powder Coated, 1967-69 F-Body With SB Chevy or LS1	<b>\$7,700.99</b>

### Solid Rear Cradle Mounts

DSE041510 **\$725.99**

Heavy duty, billet aluminum cradle mounts eliminate wheel hop and drivetrain oscillations caused by rear cradle movement. Mounts additionally strengthen the rear structure of the vehicle, improving handling. Mounts feature a corrosion resistant black anodized finish. Fits all 2010-up Camaro.

### QUADRALink Rear Suspension Kit

DSE041711 **\$2,800.99**

Uses tuned, high durometer rubber bushings instead of Heim joints or squeaky urethane bushings and the longer upper links provide great pinion and u-joint angles. The Panhard bar is adjustable as ride height changes for roll center control. The upper shock mount also strengthens the rear body and frame section. Includes coil-over shocks and springs.

### Heavy Duty Adjustable Toe Links

DSE042302 **\$350.99**

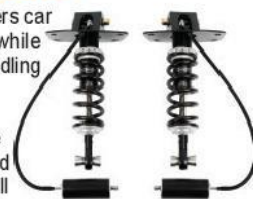

Toe links utilize cross-axis pivot bushings for reduced deflection and are sold complete with eccentric eliminator washers, eliminating the OEM adjusters that are prone to slipping and creating unwanted changes in alignment.

### Rear Coil-Over Conversion Kit

DSE042430 **\$2,050.99**

Conversion kit lowers car approximately 1-1/2", while improving stance, handling and performance. Kit installation allows performing easier ride height adjustments and spring changes. Fits all 2010-up Camaro.

### Long Tube Headers

Headers are specifically designed to provide significant increases in horsepower and torque throughout the entire RPM range. Metallic Ceramic Thermal Barrier Coating (MCTBC) is applied to headers for added durability, reduced underhood temperatures and increased performance.

Part No.	Description	Price
<b>Chevrolet</b>		
DGHD304	Coated Headers - SBC Shorty	<b>\$658.99</b>
DGHD308	Coated Headers - SBC	<b>\$654.99</b>
DGHD309Y	Coated Headers - BBC Tri-Y	<b>\$813.99</b>
DGHD316-B	BBC Headers 1-7/8 Dia. Black	<b>\$582.99</b>
DGHD316	BBC Headers 1-7/8 Dia. Coated	<b>\$756.99</b>
DGHD317	SBC Headers - Coated - 1962-67 Chevy II	<b>\$759.99</b>

### Performer 600 CFM Manual Choke Remanufactured Carburetor

Calibrated for maximum fuel economy. Includes timed vacuum ports, EGR and fuel vapor outlet. Not for computer-controlled engines. Comes with the following jets, rods and springs: Metering Jets - Primary .098, Secondary .095; Metering Rods - .073 x .047; Step-Up Spring - orange (5" Hg). Includes carb studs and hardware.

Part No.	Description	Price
EDE9905	Manual Choke	<b>\$299.95</b>
EDE9906	Electric Choke	<b>\$299.95</b>

## Metering Block Gaskets

HLY108-89-2 **\$10.99**

Gaskets are for jet changes in the pits. Two per pack. Blue non-stick, most 4150's, some 4160's, early 4165's, most 2300's and all 4500's without intermediate system.

## Avenger EFI Engine Management System For Big Block Chevy

HLY550-836 **\$3,758.99**

The system includes a single plane intake manifold, billet throttle body, ECU, wiring harness, fuel rails, injectors, fuel pump and hardware. Oval port heads, 48 lb. Injectors, up to 650 hp.

## Performance Carburetors

Designed for use on light-weight vehicles with a manual transmission or an automatic transmission with a high stall converter and low rear end gears.

Part No.	Description	Price
HLY0-4777SAE	650 CFM 4150 Series	<b>\$514.99</b>
HLY0-4779SAE	750 CFM 4150 Series	<b>\$545.99</b>

## 850 CFM Ultra Double Pumper Carburetors

Featuring an optimized street/strip calibration that works out-of-the-box. Four corner idle allows you to precisely control your idle system. Built in, clear fuel level sight glass for easy fuel level adjustments. Mechanical secondaries.

Part No.	Description	Price
HLY0-76850RD	Red Billet, Electric Choke	<b>\$599.99</b>
HLY0-76851BL	Blue Billet, Manual Choke	<b>\$579.99</b>
HLY0-76851RD	Red Billet, Manual Choke	<b>\$579.99</b>

## Marine Carburetors

Designed to meet Coast Guard specifications. A marine carburetors fuel metering system is calibrated to compensate for unique engine loads found on boats. The J-style vent tubes direct fuel/fumes back into the carburetor for safe operation while on rough waters.

Part No.	Description	Price
HLY0-80318-1	600 CFM	<b>\$687.99</b>
HLY0-80340-1	1050 CFM	<b>\$1,265.99</b>

## 1050 CFM Dominator HP Carburetor

HLY0-80586 **\$1,051.99**

In addition to standard Dominator features, the HP series gasoline carbs have contoured venturi inlets, screw-in air bleeds, high flow metering blocks, notched floats, four-corner idle and jet extensions.

## 670 CFM Lo-Rider Avenger Carburetor

HLY0-80681 **\$498.99**

Features chrome fuel bowls, a polished main body and accented with gold hardware for a show winning appearance right out of the box.

## Tri- Power Carburetors

The world famous Holley Tri-Power Carburetor system is legendary in Chevrolet circles! They were the ultimate power statement when they came factory on cars like the 1967 427 Corvette.

Part No.	Description	Price
HLY0-80683	325CFM, Dichromate Finish, Electric Choke, Center	<b>\$397.99</b>
HLY0-80683-1	325CFM, Shiny Finish, Electric Choke, Center	<b>\$355.99</b>

HLY0-80911RD	1425 CFM, Red	<b>\$1,299.99</b>

## Ultra Street Avenger Carburetors

Anodized billet aluminum metering blocks/base plate for good looks and true gasket sealing. Feature an optimized street calibration that works-out-of-the-box.

Part No.	Description	Price
HLY0-86870BL	670 CFM, Blue	<b>\$569.99</b>
HLY0-86870RD	670 CFM, Red	<b>\$569.99</b>

## 770 CFM, Off-Road Truck Avenger Four Barrel Carburetor

HLY0-93770

Designed specifically for off-road applications. The unique fuel metering block eliminates fuel spillover through the boosters at extreme angles allowing for 40° climbing, 30° side hill maneuvers and nose-down descents to avoid hesitations, stalling and flooding typically associated with carbs in an off road environment.

## PERFORMANCE

### SB Chevy Production-Based And Bowtie Sportsman Block

GMP12480047 **\$2,000.99**

Heavy duty bowtie block features full CNC-machining and fourbolt, nodular iron main caps.

### 502 HO Crate Engine

GMP12568778 **\$7,010.99**

- 502 cubic inches, 4.470" bore x 4.000" stroke
- 450 HP @ 5250 RPM
- 550 TQ @ 3500 RPM

## 6-71 And 8-71 Supercharger Kits

All-in-one kits feature billet aluminum cased, high efficiency two-lobe design 6-71 or 8-71 supercharger. Supercharger and all related components are polished to a brilliant finish. Each kit is complete with supercharger, manifold, drive kit with belt and 2V pulleys, carburetor adapters, necessary hardware and gaskets. Choose from kits for small or big block Chevy.

Part No.	Description	Price
BLS2815	SB Chevy 6-71 Supercharger Kit, 2V	<b>\$4,250.99</b>
BLS2920	BB Chevy 8-71 Supercharger Kit, 2V	<b>\$4,300.99</b>

## Low Profile Supercharger Kits

Designed for versatile street/street applications, supercharger kits feature a low profile to allow compatibility with most engine compartments. Kits use a 2V pulley configuration for street operation. Fully polished, kits are complete with supercharger, intake manifold, pulleys, drive belt, carburetor adapter, gaskets and necessary hardware for installation.

Part No.	Description	Price
BLS3110	SB Chevy, 192 CID Kit, Fits Std. 23° Heads Up To 1986 With Short Water Pump	<b>\$3,100.99</b>
BLS3120	BB Chevy, 250 CID Kit, Fits Rectangular Port Cylinder Heads	<b>\$3,200.99</b>

MAN221424P-16	1.640" NexTek	<b>\$489.99</b>

## 10° Titanium Retainers

Manley's 6AL 4V Titanium 10° retainers offer durability for drag racing engines. Sets of 16.

Part No.	Description	Price
MAN23630-16	10° Titanium Valve Spring Retainers	<b>\$227.99</b>
MAN23640-16	10° Titanium Valve Spring Retainers	<b>\$239.99</b>
MAN23653-16	10° Titanium Valve Spring Retainers	<b>\$239.99</b>
MAN23658-16	10° Titanium Valve Spring Retainers	<b>\$219.99</b>

## Magic Seal Epoxy

MAN40187 **\$23.99**

Two-part Epoxy has the consistency of "silly putty" for easy forming. Suited for lower temperature use on intake ports and manifolds.

## Collector Gaskets

Prevent exhaust leaks between the header and collector or muffler.

Part No.	Description	Price
MRG5980	2-1/2"	<b>\$14.04</b>
MRG76	3"	<b>\$5.38</b>
MRG1204	3"	<b>\$6.46</b>
MRG7177C	3"	<b>\$18.36</b>
MRG1203	3-1/2"	<b>\$6.46</b>

## Mr. Gasket Valve Cover Gasket

MRG175 **\$15.12**

For SB Chevy,  
1958-86 265-400.  
Sold as a pair.

## Carburetor Base Gasket For Rochester Quadrajets, 4-Hole

MRG56 **\$5.38**

Made from durable, heat resistant nitrile rubber compound and die cut for a perfect fit. Gaskets are offered in 1/16" thicknesses as bulk packaged.

## Header Gaskets

Traditional Mr. Gasket exhaust gaskets are a high temperature acrylic blend – exceptional sealing and durability. Ultra-Seal exhaust gaskets are high temperature steel core/graphite faced material for added durability.

Part No.	Description	Price
MRG77	Exhaust Gasket Material, 10" x 10"	<b>\$10.79</b>
<b>Chevrolet Small Block 262-400</b>		
MRG150A	1.45" x 1.55"	<b>\$16.20</b>

MRG5901	1.45" x 1.55"	<b>\$21.61</b>
<b>Chevrolet Big Block 396-454</b>		
MRG5910	1.85" x 1.90"	<b>\$23.77</b>

## Transmission Controller GM EZ-TCU

TCI302820 **\$594.99**

Controller is compatible with the most popular GM transmissions including 4L60E, 4L65E, 4L70E, 4L80E, and 4L85E and the TCI 6x six-speed transmission.

## Outlaw Shifter

TCI616332 **\$354.99**

Offers rugged construction and is ideal for competition. The Outlaw is compliant with NHRA/IHRA legal reverse lock-out regulations. In addition, TCI's Outlaw Shifter has a Park/Neutral safety switch and provisions for a reverse light system.

## Locking Dipstick Tube Assembly For TH-700-R4 Chevrolet

TCI743865 **\$26.99**

Gold dichromate finished, each assembly includes dipstick and tube.

## Micro Switch With 18 Gauge Cord

TCI388400 **\$59.99**

Universal Switch is connected to a high quality, low resistance, spiral cord that stretches over 7'.

## 6-X Six Speed GM 4L80E Automatic Transmission Package

TCI271700P **\$6,689.99**

The 6-X provides six forward gears (3.08, 2.34, 1.60, 1.30, 1.00, 0.75) for quicker acceleration and increased fuel economy at cruising speeds. This versatile transmission fits Chevy small block, big block and LS series engines.

## Pro Super Rebuild Kit For 1991-96 GM 4L80E

TCI278800 **\$316.99**

Include gaskets, a seal kit, pan gasket (reusable type), new performance frictions, steel clutches, bands, adjustable modulator and a high volume filter and drain plug kit.

## Big Block Chrysler Adapter With 8 Hole Crank

TCI149280 **\$511.99**

All kits provide the necessary adapter plate, output shaft & hardware required for installation. Kits will require some degree of driveline modifications.

## 700R4 TV Cable Bracket

TCI376700 **\$27.99**

This bracket mounts using the rear inner (4.25 in. center-to-center) carburetor mounting bolt holes.

## Head Gaskets

Sold as a 10-pack.
